New York — Gov. Wright has received troughest Volunteers.

New York — Gov. Wright has received troughest Volunteers. They will be enrolled as soon as possible to the second of the seco

wards of 1,000 men, had reported themselves to the Governor of Tennessee at the last dates from Nash

Office: A requisition insteam sent to the Governor of Ofice for three regiments, or twenty four hundred men. The requisition is for utlantry or riflemen, and the Secretary of Wair urgs all possible expedition.

INDIANA — The Indianal papers states that the Predent has made a requisition on the Governor of Insann for three regiments of volunteer infantry, artil

ItalNots.—The requisition for 1200 men will be immediately compiled with.

2. The news of the decisive engagements of the sth and 9th May reached Washington by the mail of the 23d, and the Union of that date contains an outline of the two buttlest gathered from the Extras published here. The "official seems, however, to think that the reports are extracted statements." that the reports are extremely exagerated. Subsequent accounts prove that they fell short of the truth

Later From St. Domingo.

The New York papers commin later advices from Aux Cayes, by the schooner Troga, which sailed on the 6th May. We copy the following from the Tri-

This outbreak seems not to have been the result of any dissantial cition with the present Government to the merely for the sake of plunder and the thirst for blood. Several engagements are said to have taken place recently between the instegrents and Government troops, which resulted greatly in favor of the latter, though the statements were so contradictory that it is impossible to ascertain with any considerable degree of correctness the loss on either side. The insurgents, however, seemed to be continually retreating before the Government troops, and the report stated they were advanting on Jerenne—in consequence of which troops were dispatched from Aux Cayes to that quarter. It was thought that in a short time the veinity of Aux Cayes would be as quiet as any other part of the Island; but the whole country is in such a state of rebellioot that it must be a long time yet before neace and quietness will be vinitely restored. The classering part of the Island was quiet by the last accounts. President Riche was expected to arrive at Aux Cayes in a few weeks from Port au.

A Control of the Cont becoming a dizen persona. Generally he sait on the second sear, by the sile of the Queen—this time happened to take his place on the lirst seit, and, he an error of a hosition, the carriage arrived a few mir uses sooner than the assassin had expected. There is not not the carriage arrived a few mir uses sooner than the assassin had expected. The test where the carriage should be assassin to hurry to his place, where the his aim was soonewhat deranged. Had the King bee on the seat that he generally occupied in the currons he would certainly nave been killed. As it was, large shot and a bullet whizzed round his head, and much holes in the currons by his side, whilst the waddin of the guas fell on the knees of the Queen. His Mages shot and a bullet whizzed round his head, and much looks in the currons by his side, whilst the waddin of the guas fell on the knees of the Queen. His Mages shot and a bullet whizzed round his head, and much composed. Immediately on the shots being fire they were two from a double-barrelled guin) he eviet to the Queen. Don't be afraid I am not hurr' an attendance on the king, scaled the wall from the murning to the postitions, who had involuntarily stoped, he said, Now then—go on—go to the chateauth of the provided him the state of the sound of the control of the state of the said part o

This outbreak seems not be have been the result of any dissurbateion with the present Government to the sake of plander and the chirst for blood. Several engagements are said to have that plane recently between the mestigents and Government troops, which resulted greatly in favor of the committee only between the mestigents and Government troops, which resulted greatly in favor of the committee of the Chamberol Deputies on the law for establishing communications, between that it is impossible to ascertain with any considerable degree of correctness the low on either side. The mesurgents, however, seemed to be continually represent troops, however, seemed to be continually represented by the same of the Government troops, and the report stated they were advantage on Jeromen, consequence of which troops were dispatched from Autorities the quarter. It was thought that in a short time the vicinity of Aux Cayes to that quarter. It was thought that in a short time the vicinity of Aux Cayes to that quarter. It was thought that in a short time the vicinity of Aux Cayes to that quarter. It was thought that in a short time the vicinity of Aux Cayes to that quarter. It was thought that in a short time the vicinity of Aux Cayes to that quarter. It was thought that in a short time the vicinity of Aux Cayes to that quarter. It was thought that in a short time the vicinity of Aux Cayes to the whole country is an store of rebellion that it must be a long time the vicinity of Aux Cayes to the whole country is an at counts. President Riche was expected to arrive accord. The Eastern part of the Island was quite to the Passern part of the Island was quite to the Passern part of the Island was quite to the Passern part of the Island was quite to the Passern part of the Island was quite to the Passern part of the Island was quite to the Passern part of the Island was quite to the Passern part of the Island was the Passern part of the Island was quite to the Passern part of the Island was quite to the Passern part of the Island was t

FOREIGN NEWS.

ARRRIVAL OF THE BRITANNIA.

The steamship Hritannia arrived at Boston on the morning of the 20th May, bringing Liverpool dates to the 5th mst. The intelligence is of no great importance.

The corn trade remained in a very unsatustactory state. Operations were suspended weight which had so long oppressed it, is recover to the state of relations. The Goard appearance of the continuation of
