INSTITUTIONS.

MASONIC COLLEGE,

Established in, and under the patronage of the Grand Lodge of Kentucky.

THIS Boarding Institution, Possessing full Collegiate powers, offers peculiar inducements to Southern parents and guardians. Its location is at one of the most healthful points in Kentucky—*Georgetown*, Scott County—about 10 miles from Louisville, 14 from Shelbyville, 28 from Frankfort, and 9 from Wood-ford, on the Ohio river. The community in which the students will reside is highly moral, intelligent, and refined; the town containing about 300 inhabitants, free from vicious associations, and of unexceptionable influence. The Course of Study is sound, comprises Mathematics, ancient and modern Languages, Natural and Moral Sciences. The *Faculty* consists of the President, who is also Professor of Metaphysical Science, a Professor of mathematics, one of Languages, and a Teacher of the Preparatory Department. The high reputation so deservedly enjoyed by the Faculty, both in point of ability heretofore exhibited by the other members of the Faculty, who are graduates of the last Collegiate Institution, affords ample guarantee of future success.

The terms of tuition are extremely low, viz:

In the *Preparatory Department*, per year.....$24.
In the *College proper* per year.....30.
Boarding, washing, &c. per week, 3 30 to 3 75.
Scholarships may be had on the following terms—$50 for 5 years tuition—$100 for 10 years—$200 for a perpetual scholarship—in each case, the amount to be paid in advance. On this plan, the whole expense for tuition, boarding, lodgings, washing, fuel, and lights will not exceed $26 per month per scholastic year of ten months.
