MEDICAL.

FOR THE CURE OF RHEUMATISM, AND ALSO NERVOUS COMPLAINTS.

Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE proofs of the wonderful power of these articles are very numerous, and are daily accumulating. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS, during a period of less than a year, have been entirely relieved of the most painful rheumatic disorders, some of which have completely baffled all former efforts of medical art. The following certificates from highly respectable persons are selected from a large number of a similar character.

EPILEPSY AND PALPITATION OF THE HEART.

Rev. John Brasted, son-in-law of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church at Bristol, R. I., residing in Main street, has long been subject to distressing attacks of Epilepsy, often falling down insensible. The disease has been accompanied with violent Palpitation of the Heart and a rush of blood to the head. For three years he has been unable to preach or attend to his other duties. Mr. Brasted has found the most valuable benefit from the Rings, Bands and Fluid, in better in every respect than he has been since his illness, and is now rapidly recovering his health. All symptoms of Epilepsy have left him.

RHEUMATIC GOUT.

To Dr. CHRISTIE—Sir—After a fair trial of almost everything without any relief, I feel constrained to attribute a remarkable cure to the power of your Galvanic and Magnetic articles. If I am not mistaken in the cause, they have entirely relieved me of Rheumatic Gout, of long standing, together with general nervous debility of the system.

MRS. MARY JACKSON.
100 Bank Place, New York.

☞ Mrs Jackson is a relative of Major M. M. Noah, who certifies to the truth of the foregoing statement.

APOPLEXY AND PARALYSIS.

Captain Andrew J. F. Tomes, residing at No. 70 Bridge street, Brooklyn, L. I., is in his 56th year. He has generally enjoyed robust health, but about 3 years since it began to fail him. He was slowly recovering, under the prescriptions of Dr. John W. Francis, when he suddenly fell down insensible in the street, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was apparently dead; and on further examination his physicians pronounced his case to be that of combined Apoplexy and Paralysis. The family of Capt. Tomes were introduced to the Galvanic Rings and Magnetic Fluid, and for this purpose procured a pair of the Rings for the hands, a pair of the Bands, for the limbs, and one bottle of the Fluid. In twenty four hours after using these articles feeling was perceptible in the paralyzed parts, and perspiration broke out *in five days he was unable to rouse his arm and use it*, and in seven days he was able to walk without aid. A period of nearly six months has now elapsed, during which time no symptom of Apoplexy has been apparent, and he is daily taking regular exercise and all his imparted faculties have been restored.

☞ The public are respectfully cautioned to beware of counterfeits in the above described articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union, GLEN & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. s1

REMOVAL.
DAY & BOARDING SCHOOL FOR YOUNG LADIES,
Conducted by Madame Grandi.

MADAME GRANDI has the honor to inform the Parents and the public, that the Day and Boarding School will be removed on the 15th of November next, from No 99 Bourbon street to No 86 Customhouse street, between Royal and Bourbon streets.

This new residence is better adapted for an institution for young Ladies than the one she is leaving. The apartments are spacious and airy, and well suited for dormitories, class rooms, etc.

The yard for recreation is also large and entirely enclosed from all exterior communication.

Mme. Grandi will spend in her arduous duties by her MODEST DAUGHTER, and the pupils receive the same parental care, attention and vigilance as her own family.

Boarders' Instruction is conducted in one of the largest Mansions in the city, occupying a fine central position, being well ventilated and in other respects perfectly salubrious.

The range of studies which engage the attention of the pupils is extensive in the branches of Learning which are necessary to a useful, polite and accomplished education, from primary instruction to the more abstruse subjects which are specially the province of a collegiate course. Discipline will be enforced to carry into effect by the due perception of the duties incumbent on it in its future relations with society, is a conspicuous feature of the establishment. Its inmates are severe and considerate, whilst the solicitude of the Principal regarding the moral training of the youths committed to his charge, is, though astrict, kind one.

The English language, daily becoming more and more evident, as of the greatest possible importance to attaining in this community, is, in Boyer's Institution, attended to with more than ordinary care the Professors engaged in this branch being gentlemen of undoubted attainments and long accustomed to tuition.

BILL OF TUITION.

The English, French, Spanish and Latin languages, History, Geography, Mythology, Elements of Natural Philosophy, Astronomy, &c. &c.

TERMS

Boarders	$20 per month.
Half Boarders	15 "
Day Scholars	8 and 10 per month.

No deduction is made for absence. A month once commenced must be paid in full. Books, paper, &c. form separate charges.
