MEGAL ADVERTISING PAPER. NEW-ORLEANS, FRIDAY MORNING, DECEMBER 31, 1847.

No. 81 Chartres, and 13 Camp

TERMS OF THE BEE. PER, Semi woods; (one year

XX1.-WHOLE No. 3564.

onsent, and referred to the comm tee on Public Lands. It related to errors and lefective returns in certain surveys.

Mr. Breese, agreeably to previous notice. asked and obtained leave to bring in a joint reolution, which was read the first and second times, and referred to the committee on Indian tain lands under Indian reservations, altenating

Mr. Hale presented resolutions of instruct adopted by the Legislature of New Hampeli re in favor of the Wilmot Proviso Mr. Niles presented similar resolutions of it Legislature of Connections in favor of the Wi

them in fee

The resolutions offered some days since h Mr Calhoun, coming up, he moved to postpone them until the 1st Tuesday to January. Mr. Allen desired to know whether Mr. Cal.

and meant to go against all acquisition of terion to involve any other question than the the conquest of M. z. co was the real one before

the country, and that he should discuss. Debate ensued, in which Mr. Alien moved to postponed, and made the special order for to

acquisition of territory, were taken up, and an interesting debate ensued, in which Messrs Dickinson, Cass, Cathoun and others took part when they were passed over for the present. A message was received from the House of Representatives, announcing proceedings relative to the death of the Hon George C. Drom-

The Presidency. We call attention to the subjoined article con the Richmond Republican, of the 21st inst.

Appearance of the set where the sent mention of the friends of the third principles and participants breach subscituent one. No Advertisements mosted at intervals will be disard one south most of the published one month, and charged accordingly Advertisements mosted at intervals will be disard one south insertion. Advantages of the set will be disard one south for the very fixing, for each insertion.

Advertisements mosted at intervals will be disard one south for the very fixing of the send insertion. Annual Advantages for each insertion.

Annual advantages of the very Third line of the white of Virginia and of the South, for the Presidency. In first giving his disage, even at that time, we be it follows their business and in watern to one square over other day.

Appearance of the very thing of the single control of the property of party, and woold administer the proceedings are of importance.

Latent from Washington.

R. way of Priemburg we have received a memorial from eliters of the U. S. Atmy at Debia, praying the establishment of metales in the Senark on the 20th, Mr. Dix presented a memorial from eliters of the U. S. Atmy at Debia, praying the establishment of metales in the Senark on the 20th, Mr. Dix presented a memorial from eliters of the U. S. Atmy at Debia, praying the establishment of metales in the Senark on the 20th, Mr. Dix presented as memorial from eliters of the U. S. Atmy at Debia, praying the establishment of metales in the senate in an eloquent and forcible manner, in behalf of the objects prayed for.

Mr. Hannegan presented a resolution praying for the establishment of a territorial government in Oregon.

Agreeably to notice, Mr. Fell in asked and a branch loss of the present of the prophesion of public Lands. It related to errors and discovered which was read the first and second times, by unanimous consent, and referred to the committee on Public Lands. It related to errors and discovered which was read the first and second times, by unanimous consent, and referred to the committee of

by Gin. Tsylor and his friends, and we do not despite of the Tsylor and his friends, and we do not despite of seeing it yet recommend thefer even to those who, "independently of all considerations of policy and the good of the case which they profess to endeave to advance," havebeen so backward in recognizing the choice of their party and of the people for the Presidency. In the meantine, it is scarcely reasonable to expect that the firends of Gen. Taylor will look for the choice of the firends of Gen. Taylor will look for the choice of the firends of Gen. Taylor will look for the choice of the firends of Gen. Taylor will look for the choice of the firends of Gen. Taylor for the Presidency. We say we are not without hope that those Whing objects who "profess to endeaver to advance the good of the enuse," and yet are willing to deliver the Samyson of the Whigs into the hands of the Pintsines of a Caucus, will ultimately change their ground. Time works which here General Taylor's flag were demoured day after day as period when the journe who when here General Taylor's flag were demoured day after day as "premature." At first, it was declared by organs of both parties, that fen Thy or would not consent to become a candidate, and both of the present in the preparation of the prints.

Thanks to the officers of the steamer Diuden for late Cincinsati; papers One o which, the Atlas, furnishes us with two or three ays later intelligence from the North than Ar. Cave Johnson's Interpreted mail route. We copy from the Atlan, verbatim, its Tale-RAPING DESPARCE.

PHILADELPHIA, Dec. 23d-7 P. M.

The markets for Flour and Grains are unchanged.
There is no change in any article of Provisions—quotations are steady.

The river is about at a saind, with aix feet water in the channel, Weather very cold.

The markets are stagnant; waiting for the steamer.

STEAMOR DESPATOR FROM ST. LOUIS—It will be seen by the following note from Mr. H. O'Reliey, that he speaks from St. Louis direct! We congratulate him upon the accomplishment of his line through to that city. Sr. Louis Thi. Orrace, Dec. 20th, 1847. Henry O'Reilley acade his respects, by fight-ning to the Louisville Democrat. St. Louis, Dec. 20th.

St. Louis, Dec. 20th.

Cot. Duxcan — An opinion seems to privail here that this efficer was arroused by Gen Scorr, for writing a letter detailing the operations of Woarn's division during the battles of Charubusco. This is a mis-conception of the facts. A short time after the publication of the letter, and when the Compander-in-chief of the American Army had observed that made efficiency were Army had observed that mon estimates were not only injurious to the character of the whole ramy abroad, but this lyto create personal difficulties in the Camp, he caused to be re-poblished only puriadection in appelate matters.

Dath is a Water-House — Cononer Special attention to the former. After the promotion of this order, Col. Dungan came out in one of the papers of the Capital, and in an article over his own signature, violated the order deep hydrogen in account of various military operations, at the same time a luding to the order in question, in no very becoming terms. Gen Scortz upon witnessing this complete infringentiant of his orders, arrested the offender with out stopping to consider whether it was a full cultion of this orders, arrested the offender with out stopping to consider whether it was a full cultion of this orders, arrested the offender with out stopping to consider whether it was a full cultion. These we apprehend to be the real facts of the consistency of the mean of color, was referred to the Recorder, who has not yet made up has mind upon the necessary of expending to the consistency of the consistency o rmy abroad, but likely to create personal diffi-

laving seen a light in the atore, went in and smooreded, fortenseely in arresting the thick, who was perpanne to slip out with a large bunds of goods under his a single bunds of Timothy Welsh, the Chirk of the grocery store of Mr. U. McCarthy, was jesterday arrequed for passing to Mr. Williams Alexander one counterfeit dollar. Some seed of the first interest on the first interest of the first

Recogned Superseau.—The case of Joseph. Treep, arrested for assuming a not beating in a most brutal and inhuman manner, mother man whose name is unknown, was peneriday disminated at the request of the complainant, Mr Mitchell. The disseparance of the man who was braten by the accused, is still a mystery.

Recorder Senseneau issued a warrant for the arrest of one Peter McCardle, who is charged with having stolen from Mr. Michel Ryan, a sam of thirty eight dollars in gold and silver.

asm of thirty eight dollars in gold and silver.

Delivered to the Apthornity of New York—
On Wednesday eventing law, Desirel Fetter,
Ir, left the City on hoard the shit Allambra, in company with the New York pipice officer, who came here to claim him. The presoner is charged with having obtained, about a year ago, from a merchant in New York, a large quantity of goods under fake pretences. This is the same individual who said out a writ of habeas corpus, two or three days ago, before the First District Court; the writ, it will be recoilected, was discussed the next days and motion of planniff's Counsel himself. On Wednesday morning less; Mr. Grymed applied to the Supreme Court, with a view of carrying out his motion before that tribunal, but I was overruled on the ground, that the Supreme Court had only jurisduction in appelate matters.

Dearn in a Waren-House—Company Stad

Ambiguration of Fars Mark of Colon-On Monday evening last, a petitionic manating from several free men of color, resisting in the Third Managapathy, was submitted and read to the Council of that portion of the july. The memorial, the object of which is the mutual protection of free men of color, was referred in the Recorder, who has not yet mide up his mind upon the necessity of expediency of each an Association. We understand that his Honor wastes the petitioners to explain fully their views and intent before he reports jupon their prayer.
