Che New-Orleans Dailn Bee.

MILLARD FILLMORE,

J. PROBLET JACQUES FOUTANT. J. P. BENJAMIN MANUTE J. GARCIA C. ADAMS, JR. JOHN MOURE? TAS G. CAMPBELL.

and was the first to propose that 1 - 27 Provise should be maintained -

country unmasked. They have boldly be the chase of ion counter to cown, was written a when he had he apporry of standing by and succoring the South. by act by which the Wilnort Provise

buth, rather than the efforts of those who were talking about the dissolution of the Union should succeed.

Mr. Berrien insisted that the action was in order, and should be decided.

Mr. Benrien thought it not proper, that the business of the Senate should be interrupted to settle a quarrel between two members. For if the Senator from South Carolina, or any other, wild that he had done any thing dishonariable, he would get the lie in his throat—yee, he would get the lie in his throat—the lie in his throat, (cries of order, order,) and be would have to meet him elsewhere, elsewhere.

Mr. Butter was ready to meet him there or any whyre else. (Urdes, order, order.)

Mr. Butler was ready to meet him there or any where else. (Orden, order, order, order).

Mr. Butler was ready to meet him there or any where else. (Orden, order, order, order).

Mr. Butler was ready to meet him there or any where else. (Orden, order, order, order, from all parts of the chamber. The question was then in keen on concurring in the receiving officer desired Mr. Benton to take his east, and he did so accordingly.

Mr. Bell took the flore, and argued to some the many was not in order, and airmating the the pleastoof privilege, contending the the pleastoof privilege, contending the the pleastoof privilege, contending the thin it was an effort order, and airmating this southers betterne or not, he was disposed to do to duty fairly and without functions.

Mr. Benton sequently will be said to accordingly.

Mr. Benton regarded with the great toes the signature of the President. In returning it to the House where it originated, with his signature of the president of the said with the said withing understood to be a protest of the force would not a mappearunt stage of the proceedings, the Speaker of the House would not an imporant transmet the House would not any superior the business then the flore would not suspend the business then the f

FRIP Soft Meetins:—A tree soit meeting was theid in Cecil county, Md., on the 5th instant. Joseph Roman, r., presided, sevented by A. Roman, Join Revnolds, Jacob Richards, and the best in favor of issisting upon the atmendant of the Senate, norder to obtain a Community of sevented acquastion of slave territory were adopted.

A pposintual of slave territory were adopted.

Apposintual of slave territory were adopted.

A pposintual of the Ceast.

By and with the advice and consent of the Senate, not custom, should be a conserved the massive of the conserved to the fact the measure of the senate, in other proposed. Figure in other proposed. He had never seen any good result to the Previous of the United States. He was not proposed. He had never seen any good result to the proposed.

CITY MORTALITY—The number of deaths for the week ending Saturday last, as reported by the Board of Resith, was 144, of which 36 of Y allow Fever.

done. In his action on this question he knew mather the North nor the South—he knew only his country, his duty as a Senator of the United States.

Mr. H. said he was not to be called to an account here by any Senator (alloding to remarks of Senators in the course of Sautuday night's dehate; for his conduct. His people would sautish him, and to there and his conspience abone did he hold himself responsible.

Several Senators.—And your constry will sautain you.

sons connected with the capital, for various sums, was agreed to.

Mr. Butter—it now being about half-past 11—nowed to go into Executive session, and Mr. Hannegan offered a resolution providing for the sitting of the Joint Committee on Printing, and other matters connected therewith, which he said it was important to have acted upon, if they desired anything to be done, in that time during the recess—which, last, by consent, the Senaie proceeded to consider, while the Sergeant-at-Arms was clearing the gallaries for an Executive session, Mr. Butter's motion having been agreed to the state of the past the question had not been allowed, when the gallaries, at twenty minutes to 12, had been cleared, and the doors closed for an Executive session.

When the doors again opened, the Senate adjourned, sine day.

werner of Oregon!.

However or Reprize NYATITES—The House met a: 10 o'clock, as upual, but no business of any importance was trainsucted, the two remeining hours of the present session of Congress, having been chiefly occupied in the signing of bills by the Speaker, receiving messages from the Sentre, and in voting on suspending the relies to receive undry resolutions—these motions is almost every case determined, in the negative.

Among these was a resolution to pay the National Intelligencer "for its reports during the present session," which the House refused to

suspend the rules to receive.

The Committee on public expenditures made a report on the measure of the President connuming the information called fee by the resolution in reference to extra pay to Gens. resolution in reference to extra pay to Gens. Cass and Taylor.

A resolution, authorizing the Committee on Printing to it in the recess, similar to that offered in the Sense, was offered, and the rule's useneded to consider the same. The question then being on adopting the resolution, the yeas and nays were ordered.

The Speaker said that there was an important message from the President lying on the table, but the reading of it was objected to.]

The Clerk then commitmed calling the roll on the question of agreeing to the resolution relative to printing—not fifteen minutes of the session remaining—and before he had concludd, the Speaker rose and said that, the tee

culiur interest.

e spen field the pike in the hands of andiscipplined were, is a very ineffective arm. It is probable that barricades may be tried, in Cork, Wexfeed and Limerick, but we believe that the naval military forces, which commands they towns, a re such as to put a legithered resistance out of the question.

The insurrectian will then resolve ispell into gwell a warfare, and in this came we fare that a great injury may be done to life and property, but even this cannot test long. The masson of the puestion, and in this came we fare that a great injury may be done to life and property, but even this cannot test long. The masson of the year is against the fare.

Every one who is firmiliar with the appect of the read districts in Ireland, knows that there is hardly any corn left in the country. There are no postuces this year, and we have and other than a long rotter which we have had of what is now coming, has allowed a large privition of the fartners to take measures for placing the stock in places of asket;

A very short time, accordingly, will suffice to save the reches and of the montain fistences in which they will take refuge, and with which, indeed; if it be necessary to pursue them, the constabluary are so well sequenced as the massives.

indeed, if it be necessary to pursue them, the consolubility are as well acquainted as them-selves.

If the imputable contingency of an extensive and prolonged rebellion arrives, all other considerations must be meritized to the loss of life and property in Ireland, and of the integrity of the empire plus as we firmly believe that the tegslers and consusbulary will put down the rising at once, we cannot agree with those who advocate making the affair a civil war of religion. No arrives the Chanceaux of the Consumer of the Consumer of the Chanceaux of the consumer of t
