Sloudny morning, Marh 5, 1848.

The Close of the Polk Administr

Lepartia ly, nothing extenuating, nor setti wn aught in matice, above all she will dis n between the shordents and accidents of I public opinion, which sometime

Texas,-and this great question the his test subjects of controversy yet Texas was outmittely annexed

of the territory of Oregon. On views, sentiments and affirmed,

Mr. I we a rest exhibition of what events to be a series want of emider, is shown in the Text of Peace. Certain stricles in that host cause were element prepulsion, to the interest cause were element prepulsion, to the interest cause were elementarized to go up stairs to adjust her tolet, intending a corter appears. O'therefore, and they were eitherstruck often injections with Mexico, and these functionary to return and plays favorite air on the pianometers to exchange to be a protocol, which declares that the conditionation of the Texty do not and will not affect the design of the original armore. An time see a Protocol, which declares that the condition the design of the original armore An time see a unually conceased, and is only brough to go by the interest accident. But the President essays to justify homself by arguments which essent as a joint plant of the right home and the controlled in the seed of the controlled to the part of the part of the controlled in which prove moding but his own want of frankness.

And as it to make how drink the butter cup of health type and the controlled in well-ding clothes, her body was deposited in the value of the controlled to the affecting circumstances, and how the brightest hopes are offered.

he so, he were no the dregs, the last days of his Administration are suited by a strange ex-posure. He is decontrately charged by a mem-ber of Congress with having expressed in earning the spike, the congregation was moved to sobposture. He is desirablely charged by a member of Congress with having expressed in earth-ber of Congress with having expressed in earth-est terms his optosition to the extension of and tears, and the scene is described as pecu-Sivery The Wilmot Proving frew out of the Mexicon war—Mr Polk is the author of that war, and every morufication he has been compelled to endure-the loss of public confidence

to the illustrious Washington, passed the House of Delegates of Virginia, unanimously, on the 22d ultimo. It had previously passed the Sen te on the same day. The Monument is to b placed on Capitol Square, Richmond. This appropriate day, for a purpose so creditable to Virginia, was selected, it is stated, at the sugger on of the State Historical Society.

The same day was selected for the ceremon en previously voted by the Virgini The Hali of the House of Dele exciting character. The sword was a very el MATHEW M. PAYNE, for his gallantry and con luci at Palo Alto and Resaca de la Palma." Our readers (save the Richmond Times.) pee great distinction in each of these memorable but

J. A. D'HEMBERGOURE,
Surveyor Third Municipality.

what nectured at the created into an explanation of what nectured at the creame of 1910. It extended about an accessing a half, and the river was 18 in reached one than a present, the water at that time brackled on far as Dauphine and Bouthon effects—there was no levee as there is now at the Canal to prevent the flood, and the water was 21, feel above the level of the Bittarie Budge. He had therefore his do date of the practicability of Mr. Dintarie his do date of the practicability of Mr. Dintarie his do date of the practicability of Mr. Dintarie his do date of the practicability of Mr. Dintarie his do date of the practicability of Mr. Dintarie

they fell from the steps near the wheel houses. This gentleman thought that by contin-

intia.ate that the "Third" would corduilly co-ope rate in any measures to promote the general safety The meeting then adjourned sine die. FIRST DISTRICT COURT—RENOVAL OF THE Carm-bulli —On Saturday morning the 3bdriff paid into the hands of Jesse McHenry the \$465 and fou doubtoons, which have been the cause of some litigation. The remainder of the money was pain

over in the Clerk, agreeably to the order of the Court.
On motion of Mr. E. H. Durel, counsel for John Holmes, a rule was taken to shew cause why the \$2500, originally snoken from him should not be returned. The Attorney General, however, topk exception to the payment, on the ground, that a motion for a new trial in the case of Baxter & McLane is now rending before the Supreme Court, and that in the event of the appeal being granted, it would place the Court in an awkward position if the money should have been paid over to the pro-
