se materiations erected in our public and philanthropic city, for the purpose rating the discress of the indigent and there is more of which the objects are he and how than the CHARLEY Hos es imposed upon its administration , giving health to the myahd, suc

the upon the Government, was the only induction that promised his monutation. During the less four years, Mr. Hannegun had been the slavish partisan of the Polk Administration, and had sufrendered himself without scruple to the dictation of the White House. In reward for these services he was nominited for an important mission during the last hours of the dynasty, and even after it had ceased to exist. Gent. Taylor feels deeply increased at this conduct on the part of his predecessor, and is included to resent it by an numerical evocation of his credenia. It is not his to prevent the recipient from enjoying the emounterities of his new position, but it is not long to prevent the recipient from enjoying the emounterity of his new position, but it is not made to prevent the reconstruction being disthe number of patients admir 2 to epen patient. In 1842, ter \$36,596 ; in 1544,615 c of \$11.373; m 1945, 6.186 agnifications, and a due regard to the class, as well as the leveling of propriety.

To Marcen, of lown, hus been appointed as Second Assistant Postmarter General, an office of trust, in which all the subordinant places below \$1000 of minus, stary are disposed of.

The other is of the Navy and Marme corps called upon the Secretary of the Navy this morning, and were received with becoming consideration. They were alterwards presented to the Persident of the United States by Mr. Preston and his predecessor, and then called upon the other heads of departments.

The Superme Court is still in session, and will probably commune so for a week longer. Thus tar only sixty causs have been decided, and it is understood that as many as one hundred and seventy-five with be left unmorbed, upon the dioket. The business of this tribunal is a sistanty increasing, and with very limited prospect of ever being disposed of, without a new organization.

Mr. Charles Hudson will be nominated as

OFFICIAL PAPER OF GENERAL COUNCIL AND FIRST MUNICIPALITY. NEW-ORLEANS, MONDAY MORNING, MARCH 19, 1849

Reception of Mr. Polk.
The arrangements for the reception of x President have been completed, as will be perceived on referring to the Programme in another column. We are informed that Mr. Ponk may be expected to arrive to-morrow next day,

Mg. Polk's reception at Savannah, was n cordial and hospitable. Both parties seemed to forget past differences in the desire to extend to

STILL ANOTHER CREVASSE.-The Bat It has been decided in Cabinet, that all applications for office, most be made through the head of the department to which the appointments are, attached. The President has declined to receive personal appeals, and in this resolution he has exhibited wisdom and segacity. In detering to the experience of his constitutional advisers, he has consulted a policy-diat will tend to releve him from importunity and place the appointing power upon a higher position. This rule was the practice in the earlier period of the Government, and in revising at tien. Taylor has reflected honor upon himself and entertally benefitted the Administration. By observing this principle rigidly, the merits of applicants will be considered fairly and the services of competent and efficient men will be secured. ouge Advocate of Wednesday last, says: We learn that a Crevanse has taken place the Grand Levee, near the mouth of Red Riv which is spreading destruction and rain in course. By this crevanse, it is supposed that the country in the Bayou Grosso Tete Regi-will be inundated.

GEN. SHIELDS INCLIGIBLE .- A telegraph despatch to the Charleston Courser, dated th 2th mst., communicated the annexed import

Yesierday, the Select Committee appointed by the Senate to take the case of Gen. Shields into consideration, have unanimously decided that he is ineligible to a seat in that body. Thirty nonimations to office have been made and referred to the appropriate Committees of the Senate. re Senate.

The Foreign Legations waited on the Presient yesterday.

will be secured. The growest outrage of the deceased dynasty was the appointment of Mr. Hannegan as Min-ster to Berlin, on Sanday morning after Mr. Pok's term of office had constitutionally expired

nd when his successor was virtually President of the United States. It is not presented to my quarter that he has a single moral or ectual qualification, as it is not denied, that the nettenary consideration of pensioning a layor-

ite upon the Government, was the only indus

troduced into the Ohio Legislature by Mr. Charge-trohibits all black or mulattu persons from en-tering the State, excepting for temporary restnce, and also renders them incapable of acuiring or holding real or personal property.

Truly the abolitioussis of Ohio are becoming wonderfully fastidious. We had supposed from seir affected zeal in the cause of the negroes-

At a merting of the Board of Regent, shington, on Wednesday iast, Vice Presi ient Filimore (ex-officeo a Regent) was unan nously elected Chancellor of the Smithsonia see term had expired.

Execution of the Handersons.-We learn from the Pendleton (S. C.) Messenger, that Car-rol and Thomas Henderson, convicted at the last Court of Sessions for Pickens District of the murder of Robert Wilson, were executed on last Friday week at Pickens Court House We understand, says the Messenger, that Thoman tienderson, under the guilows, denied has

Sidney Willard, whig, was re-elected Mayor of Cambridge (Mass) on Monday. Other officers, whige, generally re-elected. Nathant Sulebee, jr, was chosen Mayor of Salem, with whig councils as assual. Abraham B. Howland, independent, was re-elected Mayor of New Bedford, on Monday-inspirity 904 over the regular whig candidate. Henry Chapin (tree and) was chosen Mayor of Worcester on Monday, by a plurality of about 500 votes. The whole list of city officers chosen were of the tree soil party.

Potavitio a Family — Four persons were potasoned in the brinly of B. F. Blaustell, Eq., of New Boston, N. U., by morphine, two of whost died—an aged lady and a young child. An adopted daughter of the old lady purchased twenty-live cents worth of interplane of an apothecary in the city of Manchester, a part of which she put in a preparation of ingo orice which old Mrs. B andell was in the Jahli of taking. The dose proved fairliond in a few hours she was found dead in her chair. Per vious to this, lowever, the girl had tried its effects upon a dog, which were such as to lead the family to

moreover, an accomplished vocalist, he has mastered the art of making them produce their full effect on a large audience."

NT. CHARLES THEATER.—Renefit of Mr. Vandes-NT. CHARLES THEATER.—Reselt of Mr. Vandra-Maf.—We learn from a well informed source that on Tuesday evening Bourescanit's concedy of London Assurance will be performed for the banefit of Mr. George Vandenhoff, and that on this occasion a pri-vate gentlemen of our city well known for his taste in dramatic performancies, has volunteered to as-sume the character of it is Harcourt Courtly.

STRANGER-MUSICAL ENTERTAINMENT .- W Company now organizing in Travus county, will correspond to the end intends engine all with passengers.

A so reports at Panama, steamer (fregon, two groups and one schooner, taking in passengers for Sin Faucisco.

A brow half arrived at Panama from San Francisco, and reported that the California or also leaving for the Rio Grande. Wagons are also passing between the former his organization and we trust the gishts man may succeed in his bar-francisco, and reported that the California organization to give a grand massical estat the California company now organizing in Travus county, will contemplate to the end intends engaging all the most distribuguished fastent of the city, presenting such array of art and agenthence as a real so leaving for the Rio Grande. Wagons and reported that the California county of the city of the are also passing between the former point and deavors to bring together such an assemblage or musical talent as will stamp the affair with the great

manical trees as whereasty the house with the gree-lest possible ocial.

MR. MacREADY.—This gentleman gives a Read

The Lavaca Journal of the 9th inst. says—
The port of Yucaian has been opened for the admission of corn, free of duty, during az months, and the vensels which are loaded with the above article are entitled to a free tonnage. The Yucaicous have been compelled to a free tonnage. The Yucaicous have been compelled to adopt this measure in consequence of their inabitive at this moment to raise a crop, owing to the scarcity of hands and the devastations communited by the Indians.

Mr. Calbour waited on Gen. Thylor on the lot, and received from the General the most open that in the complete of the work of the scarcity of hands and the devastations committed by the Indians.

Mr. Calbour waited on Gen. Thylor on the lot, and received from the General the most open the next morning about aix o'clock, the average speed having been twenty-seven miles an hoor.

In the Lavaca Journal of the 9th inst. says—
