sups: The weather up to this time has been the first District Court, by Recorder Baldwin.

specimens, from Stephen Henderson, Eaq., of this parish, R. A. Stewart, Eaq., of Iberville, and from several other planters in this neighborhood, and they are all, an grain and assectness, of a superior quality.

American Reference Books.—It has been the practice for some pears to barn all the practice for some pears to barn all the specimens. The same glorious event will be celebrated in various parts of St. Mary by a series of sphendid banquess to be given this winter by our planters. This will be the gavest we have ever has been the practice for some pears to barn all the specimens.

Hith, states that the returns, as far as heard from exhibit nearly 6,000 gain for Taylor over Critical content of the State have been heard from. Taylor's majority will be about 6,000.

TENNESSEE—Two-thirds of the State have been heard from. Taylor's majority will be about 6,000.

Skabury Ford — The Cleveland Plaindealer says that Gen. Scabury Ford, the Governor elect of Ohio, made a speech at the Taylor headquarters of that city on the 8th, in which he explains the policy which had kept him silent during the campaign with regard to the presidential preference. He voted for Taylor and rejoiced at his election.

North Carolina.—The Raleigh Register given for Gov. Manley. A corresponding increase elsewhere will run up the majority to over 9,000.

North Carolina.—North Carolina has some of the brightest and most beautiful spots in creation. Talk about her barren soil and source young. It is also that the bornes and most beautiful spots in creation. Talk about her barren soil and source young the that to blooms about such places as the following:
