The Augustus.—The Victoring stricle:
The news of Gen. Taylor's nomination was communicated to him by Captain Morehead of the steamer Gen. Taylor, whereupon the old man remarked that the appearance of the day man remarked that the appearance of the day was very fine, but made no allagion whatever to the "matter in hand," placing it immuned attempts in the expection pocket. When Gen. Case's page carried him the information that he had been placed upon the Baltimore Platform, the General was for the first time convinced that this was an "immense country," and so expressed himself, and continued by alluding very feelingly to the contrast between his former hamilty and present greatness, and ended in pro-

set of the statement to becomes on his form.

face. I stoud conjecture that his health has affered by the cares and perits of state. We were present yesterday at the insulation in the cathedral of Noire Daine, of the new archlisho

presence of Dr. Wainwright, in the Mrs. Wainwright, and their daughter. ERRORS OF THE COMMISSIONERS OF PATENT— The Louisville Journal, formshersome interesting statistics, showing that the ahmsel report of he Commissioner of Patents absunds in error

ing staismon, mowing that the ahmeal report of the Commissioner of Patents abjents in errors of the article:

The statistics guessed at rather than gathered by the bost of census takers in 1840, (an army of partitions whose most acceptable previous was in efforts to promote the re-election of Van Barren, though nothing but one main of error, have ever since served as in the basis of airquart reports of the commissioner of patents, wherein that where functionary estimates the produced of the cirrent year from the false quantities given in the satistical tables of 1840. We find in that very able work, the Western Journal of Agriculture, &c. St. Louis, an article on the last patent-office report, in which a few of its most giaring errors are exposed.

The wheat crop is not down at 114,245,500 bashels, and it, in valued at \$1.25, making the som of \$137,094,600. But the writer in the Western Journal proves that the report has made an over-realistics of \$37,163,160. The average value of wheat on the forms in New York. Pennsylvania and

bushels, and it is valued at \$1.20, maxing rue sour of \$1.70,045 (no). But the writer in the Western Journal proves that the report has made an over-relutation of \$27,168,100. The average value of wheat on the farms in New York, Pennsylvania and Maryland this year has been about \$1.20 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$2.00 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$7.00 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$7.00 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$7.00 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$7.00 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$7.00 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$7.00 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$7.00 the average value in Lusieville, \$1. Louis and Cinginnait has been about \$7.00 the value and to the grower in the Like country, \$7.5 to \$0.00 the hash to the sum of \$210.74 (\$0.00. But he revower shows that the value of the corn crop, taking the actual prices in the various heariest of the Union, and assuming the quantity stated by the report to be correct, was \$112.048,000—less than the valuation of the commissager by \$43.892,000.

The quantity of beans and pean produced in 1847, is set down in the commissioner's report

A snovum of the Second Municipality Coun-pill did not meet tant evening. Those present, adjustment to meet ton Tuesday evening next. Beatoux Acquieur — We regret to learn that Adderman Landir, of the Second Municipality, had his deg bloken in two places yesterday, while riding in the reer of the city, by his house stambling and rolling over on him.

STEALING & Watte.—John Lyons was pre-terday brought to the First Municipality Guerd House, charged _with srealing a watch from Jacques Ciaus, on the 23d instant. BUBGLAY.—Num. Lessers postered y made softleavit before Alderman Faber, acting Recognity, in the absence of Recorder Genois, that shant \$50 worth of his clothing was stolen from his state-isom on board the ship Taime, of which he is mite, on Monday night, and that he believes the barglasy was committed by two men named William Etlington and Charles Brown.

Brown.

AMBAULT AND BATTERY—Thomas Anthony,
Wm Reynal and A. Philipa—the first streamed
of severely belating Washington P. Kelly, on
Tripischere street, on the 18th inst., and the
two last in aiding and assisting in the assimiland battery, were yenerday examined before
Recorder Baldwin. Anthony was nent before
the First Dustrict Court, and Phillips and Rynal, were discharged.

STABBING WITH INTERY TO KILL.—Jose Fasettes was artested on Monday night for subbing a free colored man, named Mansel Dustre,
in the Vegetable Market of the First Municipaity. The wigned given to Dustre is very severe,
and he who so t expected to live vesterday.—
If has been taken to the Chargy Hospisal.

INSULTING & WATTE PERSON.—A free colored

Its ma deen need to take Carapy recopera-lasticities & Warry Person.—A free colored woman named Bassan Montegut, was yesterday sent before the Pirst Dostrict Guart by acting Recorder Pabre, to be tried on a charge of in-outing and abusing a white woman named Vir-ginas Johnson.

sutting and abpaing a white woman named Vir ginsa Joinman.

The Resource Ann Attenders Muranus of Heart Wessucce — Jacob Hachn, arrested on suspicion of their gone of the men who haddled down Henry Wernecke with an are, near the woods in the irea of the Second Municipality, on the 10th instant, anabod him neverly in averal places, and spheed him of 600, was yesterday examined blace Recorder Baldwin. Wetnecke having receivered midicipally from his womed to appear in Court. He would not positively any that Henne was one of the party, but he identified some of the mency and a manive gold ring, with a diamond setting, which were found in the possession of the accused when he was errested. The money was part of the sum of whigh he was robbed, and the fing was taken from the packet of a pair of pantaloon belind left at his lodgings. The Recorder near the same before the First Dierret Court, and regulardhalt of \$1000 from Harbin, for his appearance before that tribunal. Arhari, and abather man, name withness, accessed of being principals in the after, have not yet been arrevised.

Our thanks are due to the Hon, Havay Jourson, for important Congressonal documents.
