Prospectus of the Republic.
THE undersigned will on the 15th day of June next, begin the publication in the city of Washington, of a daily Whig Administration paper, to be called *The Republic*, the editorial supervision and management of which will be committed to the exclusive care of ALEXANDER C. BULLITT and JOHN O. SARGENT.
The Republic will give to the principles upon which the administration of Gen. Taylor came into power a cordial, zealous and constant support. It will be a faithful record of the times; it will discuss public measures in an impartial and independent spirit; it will be a vehicle of the latest and most authentic information; it will be in a word, a political newspaper, devoted to the liberalizing and well governed doctrines which prevailed in the late Presidential canvass; to the interests of labor, as developed in the wants of agriculture, commerce and manufactures, and to the cause of literature, science and general intelligence.
The Republic will acknowledge no allegiance except to the country. It will aim to merit the confidence and support of the American people. It will be the organ of no person, or party, or fraction of a party; in that conspicuous sense which would hinder it from speaking bold and candidly to the people whenever it concerns them to know.
The Republic will be printed upon a double royal sheet, in a new, large, clear, readable type.
Besides the daily paper, there will be published a Tri-weekly and Weekly Republic, made up of the most interesting important matter of the Daily issue.
TERMS:
For the Daily Republic, $10
For the Tri-weekly, 6
For the Weekly, 3
To Postmasters—Any Postmaster who will forward us $10 shall have six copies of the Weekly Republic sent to such persons as he may direct; and $18 will entitle a Postmaster to THREE copies of the Tri-weekly paper.
No paper will be sent unless the order is accompanied by the money.
All communications upon business must be addressed
CORNELIUS & CO.

EXTRA CAUTION.

A man by the name of *Clegg* has engaged with a young man of the name of P. Townsend, and says his name is not as a quack pills, which they call Dr. Townsend's Sarsaparilla, &c. &c. assuming it to be the same as the original. Caution is no caution, and never trust the advertising number on patent medicines, and say to them, "Let be assured the name is correct," and see that you get the genuine article. This is to caution the public not to be deceived and to prevent those who use the genuine and original, sold by Dr. JACOB TOWNSEND'S SARSAPARILLA, having an it the old Dr.'s likeness, in family oval of green, and his signature across the coat of arms.
Principal Office, No. 108 Maiden street, New York City.

OLD DR. JACOB TOWNSEND.

THE ORIGINAL DISCOVERER OF THE
GENUINE TOWNSEND SARSAPARILLA.

Old Dr. Townsend is now about 70 years of age and has long been known as the author and discoverer of the genuine original "TOWNSEND SARSAPARILLA." Being poor he was compelled to limit its manufacture, for which reason it has been kept out of market, and the sales circumscribed to those only who have proved its worth and known its value. It had reached at last, many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wished only

Healing Power.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better; because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the old Dr.'s Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medical properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the properties of Sarsaparilla are so volatile that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process, known only to those experienced in its manufacture. Moreover, these volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medical properties of the root, which give to it all its value.

Genuine Old Dr. Jacob Townsend's Sarsaparilla

Is so prepared that the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted or rendered inert; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of loosing any of its valuable healing properties. Prepared in this way, it is made the most powerful antidote in the

Cure of Innumerable Diseases.

Hence the reason why we hear commendations on every side in its favor by men, women and children, we find it doing wonders in the cure of

☞ Consumption, Dyspepsia, and Liver Complaint, and in Rheumatism, Scrofula, Piles, Costiveness, all Cutaneous Eruptions, Pimples, Blotches, and all affections arising from impurity of the blood.

It possesses a wonderful influence in all complaints arising from indigestion, from acidity of the stomach, from unequal circulation, determination of the blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in Colds and Coughs; and promotes easy expectoration, and allays gentle perspiration; relaxing stricture of the lungs, throat, and every tober part

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages

Of Female Complaints.

It works wonders in the cure of Prime Albus or Whites, Falling of the Womb, Obstructed, Suppressed or Painful Menses, Irregularity of the menstrual periods, and this, and in all cases effectual in curing all the forms of Kidney Diseases.

By removing obstructions and regulating the general system, it gives new and great strength to the whole body, and thus cures all forms of

Nervous Diseases and Debility.

and in fact, it has never failed to cure a great variety of other maladies, as Spinal Irritation, Neuralgia, St. Vitus Dance, Swooning, Epileptic Fits, Convulsions, &c.

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives it digestion, relieves the bowels of torpor and constipation, allays inflammation, purifies the skin, equalises the circulation of the blood, and thus carries off disease from all over the body, and the insensible perspiration, rouses all strictures and tightness, removes all obstructions, and invigorates the entire nervous system. In not this, then, the

Medicine you procuminent need?

It cleanses the blood, and is the bread of Life. Don't send's inferior article? This young man's liquid is not to be

COMPARED WITH THE OLD DR.'S

Because of one GRAND FACT, that the one is IN CAPABLE OF DETERIORATION, and

Will Keep Forever.

While the other DOES; Souring, Fermenting, and blowing the bottles containing it into fragments; the sour, acid liquid, and damaging other goods! Must not this horrible compound be poisonous to the system? What put acid into a system already diseased with acidity? What causes dyspepsia but acid? Do we not all know the effects of sours in our stomachs what mischiefs it produces? Flatulence, heartburn, palpitation of the heart, liver complaint, diarrhœa, dysentery, bowel complaint of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Erysipelas of the Head, Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all inflammations internal and external? It is nothing else but acid, and this acid abundance, which sours, and thus spoils, all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid, which accumulates itself between the joints and elsewhere, irritating and inflaming the delicate membranes which it acts? No, of nefarious diseases, of impurity of the blood, of deranged circulations, and nearly all the ailments which afflict human

Now, is it not horrible to make and sell, and infinitely worse to use this

Sourium, Generating Acid "Compound" of S. P. Townsend,

and yet he would fain have it understood that Old Dr. Jacob Townsend's is the Original Sarsaparilla, is an IMITATION of his and his Genuine preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article! and which should bring down upon the old Dr.'s head a mountain load of complaints and criminations from all parts where it is sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's is the same in the heaven-wide apart, and infinitely dissimilar; that they have not in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was is no chemist, no pharmaceutist—knows no more of medicine or diseases than any other common, unscientific, unprofessional man, can no guarantee to the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which is capable of changes which must render them the AGENTS of disease instead of health.

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the despairing invalid, to restore health and bloom and vigor into the crushed and broken, and to banish infirmity, that OLD DR. JACOB TOWNSEND has BOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated

within the reach, and to the knowledge of all who need it, that they may learn and know, by joyful experience, its
