An arrival at New York brings intelligence from Oregon to the 22d February. The local legislature had been some time in seesion, and adjourned on the 16th of February. The subject of lants, partnerships, appoint

rine surject or facile, partnerships, appointments, gaming, distilling of ardent spirits, the former of which is "prohibited," and the last 'regulated," had received the attention of the legislature. Thus early, also, there are "dilegulature. Thus early, also, there are "diverces" from bed and board, and in fact all the refinements of civilized married life.

The Legislature elected Gen. A. Lawrence Loweyo Supreme Judge of Origon Territory; W. S. Martock, Esq., Circun Judge; Samuel Parker, Esq., Prosecuting Autorosy; Theophilas Mayrader, Esq. Secretary of the Territory; Capi. Win. K., Kibbon, Territorial Treasurer, and John G. Campbell, Esq., Territorial Autoritor.

The councie of Oregon is greathrough than the

respects list taste is moderate and conservative. England, meanwhile, of all the powers of Europe, is alone tranquil. The troubles of Canada give her little concern, and ghastly and famine stricken freland is pitilessly disregarded. How long England may be enabled keep away from the vortex of revolution and strick, in which so many of her sister savereignties are about plunging, is a point which the lapse of few growths will lead ensemble to object tidst of surrounding agitation.
