

BY MAGNETIC TELEGRAPH. (Transmitted to the N. O. Box) ONE DAY LATER FROM EUROPE

Interesting Intelligence. IMPRISONMENT OF PRINCE CARNO. (From the American Consul at Rome.)

Continued Success of the Hungarians. Our intelligence has transmitted us one day's later intelligence from Europe, but without mentioning the channel through which it was received. It probably refers to the telegraphic dispatches made up at London for the New York press, and which invariably furnish a day's later than those by the ordinary mail.
