We call your attention to the communication with which, on the 23rd of February, 1849, we brought the notice of the Attorney General in relation to the Louisiana State Bank. It seems to us a matter of judicial investigation, which turned out favorably to that institution. We also call your attention to another communication, which we informed the Attorney General on the 28th of November last, that the Canal Bank had visited the laws of the State under which all the banks of the State were created. It seems to us a matter of judicial investigation, which turned out favorably to that institution.
