23 h ult., containing the proceedings of Congress of the 27th and 28th—being 48 hours in

advance of the mail.

Wassinovors, May 27—7 r. m.

In the Sharts, Mr. Downs' resolution of inquity as to whether Sloo's contract for carrying the mails between New York, New Orleans, Chagres, Charleston, &c., by mail steamers, has failed to be performed, and in what particular, was taken up. Mr. Downs modified his resolution so as to direct a general inquity into the performance of contracts for carrying the mails to Liverpool on the California route.

The resolution, as modified, was adopted.

After the reception of reports, the bill to establish a branch mint in New York, was taken up.

Mr. Davis moved an amendment providing for two assaying officers—one at Stockton.

Dorrkeeper was and included, on apolical of Mr. Inge, of Alabama.

Washington, May 28.

Senate.—The Senate took up Mr. Braubary's resolution, relative to removals from offee.
Mr. Webster moved a postponement of the subject until Thursday next.
Mr. Hale wanted to know if Mr. Braddury would object to going back a little further, say to the year 1841, and request an account of the removals made then.
Mr. Turney addressed the Senare in relation to removals recently made in Tennessee, charge.

o remova - recently made in Tenneases, charg-ing the President with having violated his judges by removing high-minded, honorable, and competent mea from offices of trust and

to a those who had spoken before him med wrong promises when they said grees had no power to leg saits for the extra the said of the total the said of the total covern various wave, and that it was vimple too in the Constitution.

Mr. Underwood had concluded the was taken on Mr. Davi's smean-

the Creende mountains, and regulating that them.

The bill to appoint the surveyor general for Oregan and to grant land to actual sertiers in that Territory was debated without disposing of it.

The Committee then rose, when the bill making appropriations for public buildings in Minesota and Oregon was passed.

After which the House adjourned.

FROM FLORIDA.-The U. S. steamer Fash ion, Jas. McC. Baker, master, arrived last evening from Fort Brooke, Florida, whence she left propose various schemes for the ultimate intrace of these resources, and the certain and
moveral advantage of the trade and commerce
of the Corporation. There can be but one opimore touching the feasibility and expediency of
more touching the feasibility and expediency of
more touching the feasibility and expediency of
more touching the feasibility and expediency of
these points, for six they will meet with the
unreamous mode of the people.

Loss or Life.—We learly

The St. Louis had a large number.

with so we see the garrison of the town of Cardeos hairly with three negroes at the mouth of
Mirer. The St. Louis had a large number
of mynonis on beard, many of whom, it is
supposed, jumped overhoard and were drowned.

The steamer Bulletin, Capt. Church, was
accound at Pomb Point ber, and it is believed
with a total wreck, with the exception of her
machinery, which will be saved. She was
bound to Louisville.

The PRESIDENT AND THE CURAN PRIBONERS.

WILL EACH, Rev. Mr. Corcoran, K. Pinkerton, Mrs. Lockwood and daughter, Mrs. Little
and child, and welve on deck.

Special. Election in Massacubserts.—

Further by the Asia.

We take the following from the Louisville The political news by the Asia was not re-ceived here until after midnight. LIVERPOOL COTTON MARKET, May 18.—The committee of brokers place fair Upland at 7 1-4; Mobile 7 3-4; Orleans 7 1-2.

Mobile 73-4; Orleans 71.2.

EmoLano.—Matters here in relation to our foreign policy: are every day assuming a more serious aspect. The Greek affair is settled, but not in a way that is likely to lead to peace. The French and Russian governments aspect to be greatly dissatisfied at the turn which affairs have taken, and the ministers of both governments have left England. No person in England was aware of this state of affairs and til the absence of the French and Russian ministers at the grand plenipotentary banquet given as usual on the Queen's birthday, when their absence gave rise to inquiry relative to them.

and the other at Sacramento Crty, in Californa. Alter some debate, the bill was postponed till Wednesday next.

Mr. Mason then addressed the Senate in exposition the views of the minority of the formatties of Thirtren, and those of the Senate who repudiated the scheme of compromise. The total properties of the scheme of compromise of the total properties of the scheme of compromise. The total properties of the scheme of compromise into the Pacific without any provision excluding or inhibiting slavery in either side of the line.

Mr. Mason replied: For himself he would. Mr. Clay then asked whether all the South in every soon obtain an answer to his query. If it he would himself intimate his willingness to abide by that line.

Mr. Mason sed the Senator from Kenseky might very soon obtain an answer to his query. If it he would himself intimate his willingness to abide by that line.

Mr. Clay said that for himself he would have no objectious to the extension of the Misson into though California.

Mr. Mason replied that the abolition of the slaver would be more across. Unth and New Mexico, but not through California, and was with the condition of the Misson will be resolution against any activate to the proposed of the resolution against any activate to the proposed of the resolution against any activate to the slavery of the silve to the slavery and the substitute of the slavery was inhibited, town and the advantage of running the line of 3th deg. 30 min. to the Pacific without any provision excluding or inhibiting slavery either north or south of that the.

Mr. Mason said the answer to the inquiry was obvious. The line would cut off from california, in which slavery was inhibited, town and the salver was inhibited, town and the salver was obvious. The line would cut off from california, in which slavery was inhibited, town and the salver was obvious. The line would cut off from california, in which slavery was inhibited, town and the salver the solution of the school properties of the school of the school of the s

> Major Noan, of the Sunday Times, has always taken the true ground as regards the Northern Abolitionists and fenatics; and in some recent remarks on the recent breaking up of the annual meeting of that miserable gang called the Anti-Slavery Convention, at New

called the Anti-Slavery Convention, at New York, says:

With all our attachment to law and order, there must be a limit to national provocations and insults. It we are willing to go to war and insults. It we are willing to go to war ment and people of our country, how can we be required to tolerate those insults at home?

It is truly painful and mortifying for an American to stand by and hear a negro hirrd to abuse up, pronouncing our constitution a thumbug. Washington a heartless slavedriver, and demanding forthwith the repeal of the Union. We say to those people, "the bow is bent-make from the shaft."

PRESIDENT OF FRANCE DISFRANCHISED. The condition of three years' residence, which is imposed by the proposed electoral law, will have the effect of depriving of his electoral right the President of the Republic himself. who did not arrive at Paris until the end of

September, 1848. A SLANDERER ANSWERED.—Carlyle, in a late pamphlet, in aluding to America, asks: What great human soul, what great thought, what great noble thing that one could wor-ship or loyalty admire, has yet been produced there!

ane translates the following from the Georda,
As a specimen of the spirit of generosade of the
Cuban journals, it is exceedingly rich:
We cannot say if it were good or had fortune
that favored the traitor Lopez, and conducted
him rafely to Key West. Although the Quode
was in sight, the Pizzarro could not report her,
in consequence of the numerous small keys
where the water was shoot. Still she fallsheed
on, and rasched Key West a very short time
after the Creole, so soon, that the bandits rushed, like frantic men, from the Creole for protection.

ed, like frantic men, from the Creois sorpro-tection.

As they were in the territory of a friendly ria-tion, the Commander General could poly, through the Spanish Consul, make a statement of all the efrecursatances.

The Amsican authorities of Key West Hon. Judge Wen. Marvin, replied that the Creole was under the American flag, and, in fact, a vessel of that nation, but she was con-ficated as she had outgaged the law of the U. Sinter. That her passengers had been dissimed and an investigation was now proceeding, and
