official Journal of the State, General Council. First Municipality and Bourd of Liquidators.

FOURTH DAY.

redings have assumed. Previous, show tions of a most uitra and violent character were submitted and releared to the Committee.

Amone others, we notice a segies prepared by a W. BENNING, of Georgia, which out-Herod One resolution declares Californ other protests against the existence of political parties in the South, and recommends that hereafter we should form but one party—the slavery party. A third proposes to hold a Convention of 1852 to determine upon caraly. tures for President and Vice President, who every act of mansure perpetrated upon the stateholding States; while a fifth invites the South, in the event of Congress religing to adopt the line of the Missouri Compromise, to people—and with the Whig party it is a town e-sidering the mode and measure of redeat fortunately for the crodit of the Consent. these perpery resultance appear to have been consigned to the limbo of oblivion. They are, however, a fair specimen of the spirit which

nunates some of the members. 22" If Alfred de Gondrecourt, formerly Point-a-Pitre, Guadaloupe; Charles Gounat, tormerly of the province of Normandy, France; Troques Hougeard, a notice of France, will call on the Mayor at this city, they will learn t mething to their advantage.

pointina, Awyria and Syria, by the Rev. J. P. Fietcher. We analysished to Lea. & Blanchard, published to the State of this interesting volume. years' residence in the plains of N which, and will serve as an appropriate and ad-metable introduction to the visa and asteund-ing discoveries of Mr. Ledyard. The work is written with taste and elegance, and exhibit

BY MAGNETIC TELEGRAPH. [TELEGRAPHED TO THE BEE.]

South What Pass, June 14, 10 A. M.
The schooner Fairy, 4 days from Havens, has arrived. She reports all quiet, and that
THE AMERICAN PRISONERS WERE TO BE LIBERATED.

The America arrived at New York on the norming of the 6th. We glean from the paper

Autoher instance of spontaneous combination of coal, by which a fine vessel, the Ocean Queen, belonging to London, upwards of 800 tone barthen, was totally lost, has been reported at Loyds. The unfortunate vessel had a full cargo of Newcastle coal, and was bound to Sucz. for the supply of the Indian accauers. On the 21st of December, the Capsien was informed by one of the crew that manks was issuing four from the bole forward, and he suspected the coal had ignited. The batches were at once removed, when instantif filtenes burst forth, and every effort made to subdisc them proved insavailing. The ship was then in lat 22:20 south, and lon. 52 cast, some 700 or 800 miles distant from land. The crew, after an ansuccessillating much suffering, they beare, and after endaring much suffering, they

Gen Barnenay d'Hilbers was admitted to a provate andrence by the President of the French Republic. After a long conversation on the ar-surs of Daly, the General expressed an opinion but the Freich troops might be within assured tem Rome within a short period. Correspondence of the Baltimore Sun

The opposition to the adjustment bill mevidently much modified within a few days past.—
The Democratic Union party, both of the North and South, are evidently coming forward to its support, in almost undivided column. Mr. Clay's name still excites enthusiasm among the it gets through the Senate, there is fittle doub

standing here, on board the U.S. scanner vixen, the expiration of the fitteen days which be
had given the Haytien Government for the
the consideration of his defined to the redeces
of injuries to American critizens and property.
He had yet to wait two or three days, though
he and the officers had been politely received
and well treated. There was no coffse to be
had. Business generally was duil, and the
Island queet.

South street, N. Y., being overloaded with
ecotion and sugar, gave way in the control of
the floors and beams fell, leaving the warls
standing. This is the second house that has
fallen within a week.

The cause of the accident walks taking
away of a party wall. The Mayor set measeries on foot to pull the building down, and
prevent persons passing near.

In Philadelphia, on Wednesday, the second
foor of the large from steel of Marrie & Losses

CONGRESS In the Sunare, on the 5th, a resolution was adopted changing the hour of meeting from 1 to 11 o'clock.

the people of the terri

ment on the ground that it would embarras this bill. Peonage ought to be got rid of; an it would be in due time.

The question was taken on Mr. Walker amendment; and it was decided in the nega tive—yeas 29, nays 25.

Mr. Yulec moved an amendment extending the Constitution of the United States to the

printed, and offered to-morrow.

The Senate then adjourned.

In the House, Mr. Robinson, of Indiana, made an inefficiual effort to introduce a resolution providing that after Monday next the daily hour of meeting of the House should be at 11 o'clork, a.m.

Mr. One introduced a recolution, which was agreed to, instructing the Commutee on Commerce to inquire into the expediency of so modifying the act of March 2d, 1793, as to allow foreign vessels to anload at any port of delivery, and that they report by bill or otherwise.

On motion of Mr. Niephena, of Georgia, the rules were supended and the House resolved itself into climinitee of the whole, and relating the climinitee of the Whole, and resolved the climinitee of the whole and resolved the climinitee of the whole, and relating the climinitee of the climinitee of th

overnment.

Mr. B. finally denouced the Wilmot provio; and after highly enloguing Mr. Clay, exressed his views of the comprising bilt introused by that Senator, and his determination o support it.

Mr. Dickey expressed his views against the institution of slavery. After he conducted,

[BY TELEGRAPH] WASHINGTON, June 10 - P. M. Erening Session—The House met at eight clock. The commutee of the whole on the tate of the Union resumed its session, Mr. Manual of the Union resumed its session, Mr. Manual of the Court.

Heinderson, of Tesse, othered a resolution in regard to the logindary of that State. A delegation from Virginia othered a resolution in regard to the same subject. Mr. Fouche, of Georgia, nutrodiced a series of resolutions against all compromises; that the as-ocated compromises adopted by this Government have only been abundonments of clear rights on the part of the South; that the South should only agree to an enumbroation of the M.

componence adopted by this Covernment have only been abandonments of clear rights on the part of the South; that the South should only agree to an equalitivosition of the Mexican territories on the the of 36 deg. 30 mm, and it Congress does not grant the equal distinction of these territories, this convention meet at Nashwide again on the —day of —, 1851, to devise further means of redress. Mr. Tucker, of Virginia, political adartactionistic ne would not evil them resolutions; that word, he says, has degenerated, and in like particular, which means opened and the surface of the formal of the surface of the surface

Examination of General Lopez STATE DAY-BEFORE THE U. S COMMISSIONER

The Court met to day at 10 e'clock, Commissioner Baidwin derided on the question ratsed by the defence, whether the evidence of a third party, as to what an an analysis of the sasted that General Loyer and at a design of the sasted that General Loyer and at a design of the sasted party of the lips's Evidence.

ossil putson gave me no further details of the mat The putson gave me no further details of the mat ex, because I declined it. Who made this proposition to you? Mr. Hust objected to this question. It would has to no practical results. Here is a reference to vague proposition of an expedition to I cale, without hitempting to connect feet. Loyer with the mate

Mr. Moree—It does not touch the point under investigation.

Mr. Henderson—A vague proposition of an expedition to that rectainly is not the commencement of proof in this case.

The Datrict Attorney replied, that if they did not connect Gen. Lopez with the expedition, the proof would go for nothing.

The Commissioner said It would be proper to ask the name of that party.

Who was the party making this proposition?

Ah, i camnot say that, as a man of home, tylacing his hand on his heart.)

The District Attorney—I hope the Court will admensife the writtens that as a good clinten ins is build to answer the question.

Mr. Moise—And I hope that the writeen' own sense of home will adminish him that he cannot, as a gestlessan answer such a question. The obliga-if home residue to those residues of home residues or those residues of home residue to gestless.

has degenerated, and is like patronism, which means to pack a saming pocket or cut his instant.
