MENTE UNICA

CONDUIT & SYSTEMS
TECHNICIANS
are now being instructed under the personal direction of Mrs. MACAULAY, and the absence of any previous experience is not required.
The course consists of 16 weeks, and includes instruction in giving instructions in the English language, both in dictating and dictating messages, as well as vocal counts, and taught by the highest grade of qualifications.
There are no fees, and the students pay only the cost of the principal 16 weeks, i.e., approximately £10. Their fees, however, do not cover the cost of local travel expenses, and they must provide their own meals.
