THE DAILY BEF.

FFICIAL JOURNAL OF THE STATE GREEN TO THE STATE GREEN THE STATE BUNICIPALITY CHENCIL

Tuesday Morning, Feb. 24, 2832.

Dishomed Mag of an Egyptian Monning, at the Lycomes.

The novelty and interest of the exhibition which the Lecturer's liberality has provided for his quience mext Friday evening, will be the mea appreciated when we mention that the proceeds account from it are devoted exclusively to the benefit of the Lycom and Library

We are really at a loss to conceive any rea-

anotable ground for the paner to pre-sonable ground for the paner to pre-son in England on the subject of a French in vasion. It seems to have no other corpus than the vasion as the seems of the wardide proper action of the French people, and the fixed an-oeaty they cherish towards England. No re-

south they therein towards England. No evi-dence whitever exists to prove that Louin Na-rot Kon outertains the design, kept constants at view by his illustrious uncle when his eatin-lished the compact at Boulougue. On the con-trary, the most authentic instellagence cives

color to the belief that the President of Fr

We do not question the windom of that policy

NaPolkos v meading England, as we have of his scaling the buttlements of Heaven. The re-

sete be so attempt the impossible text of autogating England. Such a thing was feasible

ome centuries ago, but since then England has i her resources and learned to profit

the so thoroughly, as to become all but impregation. We do not think that a French arm

even be able to plant their standards or

INVASION OF ENGLAND

The New York Express thus comments on the lare news that France was about to invade England.

From the tone of many of the English journaise received by the Pacific, one would suppose that Boungares the second was about to make perfusions. Allows "say the penalty of Water-kee and St. Helens. The Times, Globe, Chronic, News, are that of communication from the comm

ind the close two and about throw strange a slory. In Packers of the three thousand years ago, one the Memorane was in all the glory. And time had not begun to be refered to two temples, policies, and piles stips indoor, it which the very rine a set tremendous. Phon lost a Long or coming hast setted Dur Thou lost a Longue score let us hear its four it standing on my legs, show groun

color to the belief that the President of France is anxious to cultivate amirable rather than box the relations with freet Britain. Perhaps the latter government imagines that the real-case of danger lines in the realess outering of the French nation, and in the absolute necessary of giving them a held for action. Let the explains tone of the fact be what it may, there is no doubt that Eucland is bustly engaged in precautionary measures, in raining and disciplining armies in bottlying her ports, and in preparation monitions of war. Key witing the clampson of the treat. t with thy beares and fresh, and harboard less. Fellow has doubtless thou constructional materials.

Fellow has doubtless thou construction, the whom should we assign the Sphine's fame? We Choop on Copher or analysis.

Of other Pyrama that heavy his materials of the Sphine of the Sphine cody is maniformer. Had The been a hundred gains, as suing by Homer r. which teaches a country to be ready for every emergency but we have about as much idea of Probaga thou went a Missio, and torbinden By each to tell the mysteries of thy trade. Then eay what servet in cody was hadden in Memon a statue winch at source playlir.
