North Carolina through yesterday [illegible]

BRIGADIER GENERAL MARSHALL [illegible] dispatches inform us that [illegible] at Washington, which took [illegible] meeting on the evening of the [illegible] Brigadier General Hal[illegible] [illegible] and the 12th June as the [illegible] WHIG National Convention [illegible] of the despatch in the *Picayune*, [illegible] that the Coupon[illegible] [illegible] into the caucus by Mr [illegible] Kentucky, were ruled out, and [illegible] Description withdrew from the [illegible] he remembered, that Mr [illegible] was presided over the caucus at its [illegible] declared that if he continued to [illegible] he would consider the resolu[illegible] inasmuch as the caucus has [illegible] or other purpose than to fi[illegible] and the locality for holding the [illegible] on. No doubt Mr MANGUM [illegible] a prudence, and Mr MARSHALL ex[illegible] execution by leaving the [illegible]

[illegible] known we are Compromise men [illegible] that we will sustain no Whig [illegible] men who is not found upon that ap[illegible] and yet we have no hesitation [illegible] in our humble conception, Mr [illegible] has done two very foolish things [illegible] in withdrawing in the manner he has [illegible] adoption. A Congressman [illegible] called for a single and spe[illegible] to become who he and when the [illegible] convention should be held. By [illegible] inconsequence, this pr[illegible] [illegible] authority is delegated t[illegible] Congress. But we are yet t[illegible] [illegible] have been invested wit[illegible] constituting a platform for the [illegible] The principles upon which bot[illegible] and parties of the Union [illegible] the Presidential election, are [illegible] and settled by the peo[illegible] To those assemblages [illegible] trech from their constituents [illegible] with their sentiments [illegible], as well as customarily [illegible] setting forth the political issues at [illegible] which should seek to nullify [illegible] a National Convention in this [illegible] privilege to which it has [illegible] in. The Compromise question [illegible] as he well assured, will come [illegible] place, and that the Whig Masters of the South have no [illegible] of sharking the issue, or [illegible] intention to give it the go[illegible] [illegible] their views where [illegible] permanent right to bring them [illegible] be time enough to talk [illegible] the North, and of establish[illegible] and sectional organizations, when [illegible] National Convention repudiates the [illegible] To our mature reflection it appears [illegible] the Congressional caucus adheres [illegible] unconstitutional precedent, [illegible] to suppress action of its limited functions [illegible] take action upon Mr MANGUM's [illegible] resolution, there was embracing a [illegible] only legitimately come be[illegible] Convention [illegible]

[illegible] an inevitable corollary, that it [illegible] and indecorous to compel [illegible] to succumb, in but pretense, [illegible] refusing to participate in the [illegible] the caucus. We question not [illegible] but forced, in this instance [illegible] the determination of Mr [illegible] Whig party is so unquestionably as [illegible] to be compelled from to urge upon the [illegible] of speech which it would not [illegible] Finding himself foiled [illegible] to remain consistent in his [illegible] [illegible] the caucus. We do not [illegible] another Southern Whig followed [illegible] We should hope not, for it was [illegible] [illegible] and embarrassments [illegible] the Whig party are grav[illegible] [illegible] not be repaired by parting ane[illegible] the wanton introduction of [illegible] and American [illegible]

[illegible] No one will [illegible] that the Whigs of the [illegible] [illegible] by their Delegates, [illegible] another, and construct [illegible] Presidential campaign. It is [illegible] must advance her rights [illegible] [illegible] that great party by [illegible] principles which may be sus[illegible] geographical division of the [illegible] the accomplishment of this very [illegible] which is the success, if not the very [illegible] Whig party is deeply involved, [illegible] and Southern Whigs [illegible] [illegible] Democracy to Baltimore. We be[illegible] Southern representation will [illegible] [illegible] the parts for the conserva[illegible] [illegible] would assuredly find no [illegible] Democrats and decorate and [illegible] to unavoidable ing con[illegible] [illegible] compliment enough. Mr MANGUM [illegible] to have been commended [illegible] [illegible] that the Whig party in unco[illegible] [illegible] of constitutional limitation

[illegible] yesterday contains [illegible] [illegible] the views advanced by [illegible] Mr CRITTENDEN on the subject [illegible] [illegible] Whigs [illegible] [illegible] [illegible]
