From Texas.

the arrival of the steamer Louisians, we received our files of Texas papers to the vas celebrated on the 31st, by the citizons of Dalveston, in a highly appropriate and impos-ng manner. A grand procession was formed, and a spleudid banquet was given in the even-

ng.

Public meetings have been held in Victoria and indianola, at which measures were adopted to aid in the construction of the San Antonio and Gull Railmad. It was resolved at both meetings to present the R. R. Company, with lonations of land, and if the route laid out for the road, should be satisfactory, there seems to be no doubt that the continue of Chunn and

for stock in the company.

The Houston Tricgraph says:
A young man named Gordon M. Griffin, was killed on the Montgomery road, on Monigology and the Montgomery for the was riding on the fore part of his wagon, when the forewhele saddenly will line a deep hole in the road, and he was thrown directly under one of the wheels, which passed entirely over his body. He hingered until Tuesday morning and died. His afflicted ather was with him in his least moments, and a seemingly inconsolable for his loss.

The Had Least Mead desires that the standard of the second of the secon The Red Land Herald states that the ateamse of the Mark has left the Station river, in conequence of being refused a clearance at the mouth of the river, unless she would first repair

to the enver, antess and would arise repair of the eston, and have her hall examined.

Randolph, charged with stealing from the Postodice at Sabine Town, has been released come costedly, the grand jury failing to find a bill against him on the testimony.

The Matagorda Tribune says that but little than been done to work at the commend of the same and the

a the concaso. The Nate Ward, hitherto as aged in the prosecution of the work, has been unplayed on the bay in lightering, in order to coep affort and pay expenses. It seems that he only drawback to the prosecution of the task, is the want of means to carry it on.

A NEON Translation.

the only drawback to the prosecution of the cask, is the want of means to carry it on.

A Nicro Thor by the name of J P Street, from Alabama, came to his death, and caused nature the rol real stave he had kidnapped, in a singular manner, in Lawaca county, a short time more. Two men named Dowess and Hume atompted to access him near the house of Mr Arrold. He affected to submit, until he got an opertunity to get hold of his revolver, when he warned them that he would not be taken alive the attacked from his pursuers and full the negro-soman to follow or he would shoot her. He took her by the arm and fell her along, Dowess and thume following, and threatening to shoot him the did not atop. He paid no attention to them apparently, but suddenly, whether by accident or desire is not known, his pistod went officially placed it against the breast of the wooning and first different shoot, his pistod went officially placed it against the breast of the wooning and first different shoot, all gainst the breast of the wooning and first different shoot, all gainst the breast of the wooning and first different shoot, all gainst the breast of the wooning and first different shoot, all gainst the breast of the wooning and first different shoot, all gainst the breast of the wooning and first different shoot, all the shoot of the wooning and first different shoot and an adventise of the wooning and first different shoot and the shoot of the wooning and first different shoot and the shoot of the wooning and first different shoot of the wooning and first different shoot and the shoot of the wooning and first different shoot of the wooning and first different shoot of the wooning and first shoot of the wooning and first shoot of the wooning and first shoot of the wooning and the shoot of the wooning and th

we hours, saying he eminated as it had. It is stated that he one ived in Brazoria county. CROPS .- The Indianola Bulletia says th

wo tunks were lost. The shore statement have been fully confirmed to its every particular by every man with whom we have probeen, who was present and witnessed the rest disease. We may be permuted to add, the lost of the statement of the statem

he bracing air of the north to the warm latiudes;

The heat of these tropical seas is singularly
jebilitating. A sense of unsupplyable geomenes
a complained of by every one. For me, it has
somewhat loosened my cough, but brain and
sub-seem saturated with utter helplesaness
cloud gives no strength, and sleep only seems
o exhaust and weaken. What health is to be
ound in so protestating a chime, I shall know,
erchaps, when it has wraught its changes upon
me—but for the present, I fell saining towards
an equator of inantly.
