An act to amond the lat section and 4th sec tills of the Senate, entitled :

The following received from the Governor, by his received from the Governor, by his Rectury McCarrigan.

Executive Process Rectury March 8th, 1859.

To the House of Representations:

I am compelled to return to your honorable body, in which it has originated, the act relative to the Origens Newigation Company, with any reasons for not signing it.

The Supremy Court rendered on the 3th of Petruary last, assists asid company, the following judgment.

It is, therefore ordered, adjudeed and decreed that the Corporation of the Origens Navigation Company has forfitted its charter, that it be dissolved, and become the conditions of the act of incorporation.

A copy of the index-

paration. A copy of this indiment, giving a complete autorical sympasis of the lasts connected with this company is between to annexed. This judgment, it is true, is not limit, in consequence of a notion for a re-hearing, made by the Orican Navigation Company. But there are good grounds as believe that it will be matriated, and in any justice of this event, the 5th section of the bull now submitted to my consideration, assis: oth section of the bill how submitted to my con-sideration, any s:

"And in the exect that said suit shall have been prosecuted by final judgment in favor of the State, prior to the passage of this act, the said judgment is thereby waived by the étate, in favor of said company, and the said company is hereby restored to sell its rights under the rharter, in compilance with the provisions of shisters."

is hereby resurred to all its rights under its chartor, and company, and the state company to the hereby resurred to all its rights under its chartor, and company with the provisions of this act.

One of the rights of this resurpany, under its original charter, is to be perpetual. To restore all the rights of a suppany under its cluster, is to crew that charter. To review a charter, is to crew that charter. To review a charter, is to crew that charter. To review a charter, is to crew that charter. To review a charter, is to crew that charter. To review a charter, is to crew that charter. To review a charter, is to crew that the company considered to the company charter and the company charter than twenty five years.

The article first of this bill, relative to the cheans Navigation of the company, trans these: "That the trivial of the original conductor of the Orienas Navigation Company, rans thus: "That the conductor of the Orienas Navigation Company, the trivial of the Orienas Navigation Company, by their present charter, the second of the company, by their present charter. This section shows what is contemplated as to the distance of that the language of this bill, whater reviews to the charter review of the believes of the theorems of the charter review of the tense of the constitution of the charter review of the tense of the constitution, preparts to review the company forcer may be its effects in language of this bill, whater erm by the idditional privilege of making litty years leases.

Any company to remode ander "The General Andreas Company to review the company forcer with the additional privilege of making litty years leases.

Legislature to be vertailed down to an existence of 1 weaty stars, but reason its perpostant agreement of 1 weaty stars, but reason its perpostant agreement of 1 weaty stars, but reason its perpostant agreement of 1 weaty stars, but reason its perpostant agreement of 1 weaty of 1 weather or overcome to its titler; but if a suit for existence and published at length.
