CONGRESS. In the Senate of the 30th ult., the bill providing for the settlement of claims arising out of the purchase of California was read the third time and passed.

The objection was then taken up, and Mr. M. H. R. resumed his remarks in support of the bill. He stated that the bill was a measure of justice and equity, and that it would settle the claims of the soldiers of the Mexican war.

Mr. M. H. R. then read a letter from the Secretary of the War Department, dated May 1st, 1852, in which the Secretary stated that the bill would be reported to the House on the 10th inst.

Mr. M. H. R. then read a letter from the Secretary of the War Department, dated May 1st, 1852, in which the Secretary stated that the bill would be reported to the House on the 10th inst.

TELEGRAPHIC NEWS. From the Louisville Journal. With California.

Just think of a gentleman here in the beautiful city of Louisville, who is a member of the Legislature, and who is a member of the Legislature, and who is a member of the Legislature.

Mr. M. H. R. then read a letter from the Secretary of the War Department, dated May 1st, 1852, in which the Secretary stated that the bill would be reported to the House on the 10th inst.

COMMERCIAL. The Market.

With the exception of our leading stock market, the market for all other commodities is quiet and steady. The market for cotton is particularly quiet.

Mr. M. H. R. then read a letter from the Secretary of the War Department, dated May 1st, 1852, in which the Secretary stated that the bill would be reported to the House on the 10th inst.
