Summary for Classical and Commercial Education.

PARISH OF ST. CHARLES, LOUISIANA
J. C. MACE, A.M., Principal.

THE object of this Institution is to elevate the standard of Education, and remove the necessity of sending Pupils abroad for instruction.

The Institution will be surpassed for convenience and purity of air, and perfect freedom from all epidemic diseases. It is central and situated on the bank of the Mississippi, about twelve miles above Carrollton, is accessible from all parts of the State. Every provision is made to increase the facilities of Education, for the comfort of the pupils, and to promote their comfort and happiness.

The Principal, desiring to serve his fellow citizens in the interests of Education, and has had abundant opportunities of becoming acquainted with the improvement in systems of Education, on that Continent.

The Institution provides a thorough and substantial instruction, and the course of study is planned with special reference to a solid and useful education.

The following branches will constitute the regular course of the English, French, Spanish, Latin and Greek Languages; English and French Literature, with constant exercises in Composition in both Languages; Mathematics, Arithmetic, Geography, Astronomy, Natural Philosophy and Geology.

The services of well known talent and merit will be employed in every department, and the whole under the constant supervision of the Principal; in the M. S. also the patrons of the Institution that the advantages offered to students are of a superior order, and not surpassed by any other establishment in the United States.
