The Report ascribes the present past ...ments to the Treasury to the failure of preceding Legislatures to apply the only effectual ...remedy. But this is only partly true—much of ...the embarrassment is due to reckless and prodigal ...appropriations and the want of a wise spirit ...of economy. The policy now proposed condemplates increased taxation, and the lessening of ...a large public debt. The latter seems to be a ...measure of delightful expediency, but we cannot ...well see how it is to be averted. There are obligations of the State shortly falling due, and ...which must be fulfilled, or the public faith be ...rendered a jest. Where, then, are the funds to ...come from?
