MATER OF ADVENTISING

## THE DAILY BEE. Saturday Morning, June 16, 1853. THE NORTHERN MAIL came through yest

It might be presumed that a con-

mail, to another London urm, as monows:
"The insurgents have taken the exterior walls of Nankin, and the place must fall into their hands. All beainess is stopped. Sir N. Bonham did not interfere."
It will be seen that the above despatches are somewhat contradictory. Morehants in New York express the very conflicient belief that the report of the intervention of Eugland, France and the Truted States will move the without services in Mexico were of a distinguished char

e captain says.

[Day repeatedly stated that the yielding of exmunds true besters has prevented for quarter past eleven o'clack. He died apparent.

NEW ORLEANS, SATURDAY MORNING, JUNE 18, 1853.

NEW ORLEANS, Dr.

New York was a both backed down the mental through the particular of the power of the sign of the power of the power of the sign of the power of the power

and brought to trief."

Theman Jellerson to Malame de Stael.

The bilowing is as axtract of a letter from the American President, Jofferson, to Malame de Stael, which is brought to light in the Life and Correspondence of Charles James Pox, by Lord John Russell, just published in England. The first part of the letter gives a dotalled ascount of the political state of Spanish America in 1818. It concludes thus:

"The only considerable prespect which this clouded horizon offers is, that the sacre-tols tionary movements has the nature has implanted that common, it will so on advancing towards the ights of calitivated reason, will become sensible of its own powers, and is time be able to form some canons of feredem, and to restrain the ights of calitivated reason, will become sensible of its own powers, and is time be able to form some canons of feredem, and to restrain the interest of the sensible of the own powers, and is time be able to form some canons of feredem, and to restrain the interest of the sensible of the sensible

one.
"Permit me here to renew the assurances of the properties of the consideration and extrem."
"Thomas Japparson." City Intelligence.

COMMITTED—Joseph O'Neil charged with seasulg Thomas O'Neil with a rovelver with intention was committed yesterday by Recorder Winter (14) before the Fract Institut Court.
