A WARNING.

We presume that every man in our community is a good citizen, and that he will do his duty to his country.

We trust that the election next Monday should be conducted with the tranquility, order, and regularity which are the characteristics of our public contests in this city. We feel assured that there are few, if any, who would dare to deprive us of the right to vote.

Let us all be on our seats, and let us all exercise the power of the ballot on Monday, and we shall be rewarded by a safe and peaceful election.

A very strong question has been raised as to whether or not the election will be held at the same time as the general election in the state.
