### OUR WASHINGTON CORRESPONDENCE.

Washington, August 18, 1854.

The reports of the safety and the activity of the committee appointed to investigate the conduct of the late President Jackson, have been published, together with the testimony taken. To give you a little insight into the progress of the investigation, we have published the following extracts from the reports of the committee.

**THE OBSTACLE.**  
The committee have found that the late President Jackson was not only a man of great energy and ability, but also a man of great courage and integrity. He was not only a man of great energy and ability, but also a man of great courage and integrity.
