Rev. L. P. Backes, or Kearces. La—We find the following in the Biates.

Rev. L. P. Backes, or Kearces. La—We find the following in the Bicewille (La) Tumes, and pass it round:

It has just been preven that Rev. I. P. Backes, of Keatchi, low a wife and children living in the State of New York, though he had married here, his last will dying a short time before the discovery of his slamm. He had been a Method distortery of his slamm. He had been a Method distortery of his slamm. He had been exchibed. It le left as coon as his true character was brought to light, by a letter from his son in Utiva. Perhaps to impose upon some other community. Treas pass him round.

Indiana.—The recent election in Indiana was purely local and partial. A Lafayette (Indiana was purely local and partial. A Lafayette (Indiana) correspondens of the Rechester Democrational correspondens of the Rechester Democrational correspondens of the Rechester Democration as a special receivable.

"I see the Democracy abroad are claiming the election in this State as a great triumph. There is not one word of trenth in t. The facts are there: To hegin with, the election was retirely a local one. In many of the counties there was but time or two unimportant offices to be filled. The old Whigs took but intie in tirest in it, and but few of them came to the polis. The carriage will above a very manifestation of the counties of the carriage will above a very manifestation will be a supported by the counties of the carriage. The Democrate nomicounties where Whigs. The Democrate nomicounties thought and the support of the carriage in counties the gains, claim all those so elected as gains for gains, claim all those so elected as gains for the gains, claim all those so elected as gains for the gains, claim all those so elected as gains for gains, claim all those so elected as gains for gains, claim all those so elected as gains for gains, claim all those so elected as gains for gains, the same the received as the support of the support of
