coast of England are estimated at two and a half million dollars.

Four Trachers Devemmed by Cannibals in one of the Sentil Sea Iglands.

From the N. V. Observer, Inaresia.

The missionary ship John Williams, named after the heroic marty or Seromagns, has every the property of the season of the season of the season of the process of the season of the readed the island of Auctisum. The missionories, Messra. Geddie and Inglia, had nearly completed a centus of the population. It contains about 4,000 inhabitants; of these, 2,260 profess Christianity: the remaining 1.409 heathen are so scattered that they possess intel influence. A considerable band of native and four Samonas assist the missionaries. Thrity schools are now in operation, and about 1.500 persons under instruction.

At Taus, where the work had been broken up by the ravages of the small pox, we arain inside duckbers, who were received with a found that of Joy, ted with the improved appearance of things at Eromanga. The isands been accessed that least ovage, had been broken, the work for ward forward. Since last ovage, the number of things at Eromanga. The isands been accessed that the season of the sea

Instell, under the most cheering circumstances, the two Raratongan teachers and their wives were murdered to Turnish materials for a horrid cannibal banquet. The reason of this sudden act of cruelty could not be learned.

MELARD FILLMORE AND THE PRESIDENCY.— MELARD FILLMORE AND THE PRESIDENCY.—
At a meeting of the American party in Bardstown, Kentucky, on the 18th instant, the fallowing resolution was munimously adopted:
Resolved, Than Millard Pillmore, "the Model
President," in the Millard Pillmore, "the Model
for the United States in 1808, and that
the president in the American people
for the United States in 1808, and that
the president his man to the American people
for the United States in 1808, and that
they have been a series of the terms who we best
supported needs"—condent that nonsupport man and the compromises,
