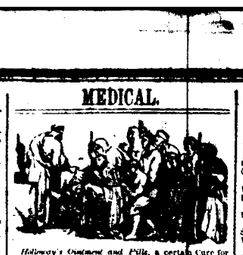
MEDICAL.



Holloway's Ointment and Pills, a certain Cure for Scaldheads.—Henry, 12, Marie, 10, and John Amos, 8, of Apalachicola, Florida, were all three affected with this disagreeable malady; Marie, in particular, was in a wretched plight with it, and although there were many remedies tried, yet the malady did not seem to decrease—indeed, the disease spread itself all over the surface of the head, to the great annoyance of the parents and discomfiture of the child; the blood of the others was equally impure. At last the parents put the three under a course of Holloway's Ointment and Pills, which cured them all in the space of nine short days. Their health has since considerably improved. These remedies are wonderfully efficacious in all diseases of the skin.

***Sold at the Establishment of Professor Holloway, New York and London; also by all respectable Druggists and Dealers in Medicines throughout the United States, in pots and boxes, at 25 cents, 62½ cents, and $1 each. To be had wholesale of the principal Drug Houses in the Union.

☞There is considerable saving by taking the larger sizes.

N.B.—Directions for the guidance of patients in every disorder are affixed to each Box and Pot.

MEN THAT ARE MEN!!!

Among the diseases this Pill has cured with astonishing rapidity, we may mention

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and pain arising therefrom, Flatulency, Loss of Appetite, all Diseases of the Skin, Cutaneous Eruptions which require an evacuant Medicine, Scrofula or King's-evil. They also, by purifying the blood and stimulating the system, cure many Complaints of which it would not be supposed they could reach; such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstructions of its functions. They are the best Purgative Medicine ever discovered, and you will but need to use them once to know it.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass., and sold by every respectable Druggist in the United States.

No longer a Humbug as to the Cure of Diseases, or their Successful Treatment.

A New System for curing all Diseases, by an Analysis of the Urine.

THE greater number of maladies are alone incurable from uncertainty as to their true nature, the correct means of ascertaining and curing them is obtained from an analysis of the Urine. By this mode it is impossible to be led astray, and all will be relieved, is the chief aim of medical science.

MR. NADO

An Hire of the Learned Home Journal of France, of Mr. K. Barreul, and of Dr. Bertin, awarded French Chemist, has just established his laboratory at No. 32 Bienville, corner of Carondelet and Bienville streets, where, in pursuance of the infallible method by perfumes, he will merit and deserve the confidence of the inhabitants of New Orleans, by the numerous cures effected by such means.

Mr. Nado cures all diseases, Yellow Fever included, and, moreover, preserves its health, which, as all are fully aware, is alone dependent on the regularity of the functions of the stomach; and for the purpose of arriving at a correct knowledge of the chemical reactions which occur in the organization, and the regularity of the metamorphoses undergone by organic matter, diffused through the system by the agency of the functions regulating nutrition, there is no more certain course to be obtained than an analysis of the Urine.

The course of treatment and medication followed by Mr. Nado, one of the most learned physicians of the hospitals of Paris, especially in cases of grave illness, is decidedly alone upon the data obtained from an analysis of the Urine. And such is the success very lately met with in remote rural districts, persons possessing no other knowledge of the art save that derived from a masterful examination of the Urine, according to the succession in their cures of an malady.

Note.—For the purpose of consultation at the laboratory, persons calling must bring with them a certain quantity of Urine, newly emitted, by the sick. Persons residing in the country can, after the usual hour, be visited and cured in the same certainty.

Mr. Nado will also undertake to free submarine to him by steamboat captains.
