was been tried and found true, fashful, and conscientious."—HENRY CLAY.

If there be those, North or South, who an administration for the North, as not the South, in for the South is against the South, in for the North, in they are not the men who should there is for my country, my whole country, in the Change Tribine states that in a number of the townships of Northern Blinots, the Backing and the south is the south in the south in the south is the south in the south vote, where last year a majority acted with the Democratic party.

Main came through yester of dates.

RIOTIC APPEAL.

The Prescut Calamit.—The French people are beginning to publish what are considered fair estimates of the losses by the recess inundations within the South of France.—There seems to be nodoubt that they amount to hundreds of millions of france. On the article of all k alone (including mulberry trees, concerns and seed destroyed) the loss remarks upon the defector of the service of the s

taks in Central and West. This series in Central and West. The Convention of Old-Line White. Statements are two ther sources of increase. Frening Journal and to half the Democracy of would go for Farkony, pointing of the Democratic party is the Lennocratic party in the Convention adjourned in the Lennocratic party is the Lennocratic party. The Convention adjourned in the Lennocratic party is the Lennocratic party in the Lennocratic party in the Lennocratic party is the Lennocratic party in t

claims the moverate must be an experience of the Whig party. The Convention adjourned to the whole party and the whole party has been a special trial to the committee on resolutions, it is a particular. He was that the party has been a special trial to the committee on the influence of the flight in the particulars which took place on the hospity has been as the thorough a state of the country. They declare, it is abstanced that the special trial that the special trial trial that the special of the country. They declare, it is abstanced to the country that the party that the party

The resolutions also authorize the Presi-dent of the Convention to appoint a Centra Committee of the provide the organ-aution of the party in the Nate.

The resolutions were adopted unanimous y, and the President was instructed to for which the president was instructed to for the president of the President was instructed to for the president of the Contraction of the Contra-tion.

ion.

The Convention then adjourned with three heers for l'illimore, and the crowd repaired the Capusi Square, where speaking is

WASHINGTON, July 17.—Bortly after the hour of acceptaint to be seem to determined to bold an acceptive session. Upon the opening of the deeps they engaged in the discussion of private business. The bill was debated to repeal the actiocating in the mail in this cityl an armory for the convenience of the volunteer companies, and as a place of deposit for public trophics acceptaint of the question, and Senators Fitzpatrick Brown, Cass, Jones, Pugh, and others, showed that they are alive to what ever concerns the welfare of this District, to least that to what regards them in their more extended field of legislators for our broad country. They showed that in spite of the common law imaxim, de susiness son carea lex, they can spite out they can spite our they can spite out they can spite our they can spite out they can spite out the common law imaxim, de susiness son carea lex.

proposed for the establishment and preservation of this beautiful metropolis. When the rate was taken, however, it was found that & quoried at an earlier hour than usual. The Heuse of Representatives was agaington polly excupied in debate upon the conteste electric case from the seventh district of it mos. Mr. alien, the sitting member, concluded his argument in support of his ratio; the seat. Mr. Harris, of limits, sustained the same position, as did Mr. Million, the half of the right of Mr. Acher, the contest of the seat of the seat of the seat of the seat of the half of the right of Mr. Acher, the contest of the seat of
