"The foundation of my preference is, that Mr. Fillmore has administered the Executive Government with signal success and ability. He has been tried and found true, faithful, honest and conscientious."—HENRY CLAY.

"If there be those, North or South, who desire an administration for the North, as against the South, or for the South as against the North, they are not the men who should give their suffrages to me. For my own part, I know only my country, my whole country, and nothing but my country."—MILLARD FILLMORE'S ADDRESS ON HIS LANDING AT NEW YORK.

MEXICO.

[illegible] latest intelligence from Brazos St. Iago [illegible] the effect that VIDAURI has raised the standard of insurrection against the administration of President COMONFORT, and is doing everything in his power to create and foment [illegible] war. The conduct of VIDAURI excites [illegible] sympathy among the people of the United States, who admire the vigor, patriotism and wisdom manifested by COMONFORT since his elevation to the Presidency, and regard VIDAURI's projects as seditious and treasonable. A brief retrospect will render this [illegible].

VIDAURI was one of the influential military chieftains who contributed materially to the downfall of SANTA ANNA; but after accomplishing this salutary measure, like many other political men in Mexico, he sought to make the expulsion of the tyrant a stepping-stone for his own ambitious projects. He was anxious in the first place, to obtain supreme power, and intrigued cunningly and perseveringly for the attainment of [illegible] purpose. Failing, however, in this, he restricts his views to a subordinate but still [illegible] role, and now strives to detach a [illegible] Mexico from the confederation, and to [illegible] a distinct republic with himself [illegible]. The first movement in this self-[illegible] treacherous game was the forced [illegible] VIDAURI of two States, which under [illegible] constitution were fused into one. As [illegible] New Leon he annexed by military [illegible] the State of Coahuila. This was done [illegible] the will of the supreme government, [illegible] render the act more infamous, [illegible] the government was seized [illegible] employed to him in the execution of his [illegible]. It needs no argument to prove that [illegible] conduct of VIDAURI was in flagrant violation of the Constitution of Mexico. That in[illegible] analogous in this respect to our [illegible] local authority is empowered to [illegible] States. The consent of Congress is [illegible] such an act. Still less can [illegible] use the funds of the [illegible] government for such a purpose.

[illegible] in Congress, upon learning the [illegible] of which VIDAURI had been [illegible] declared the act of annexation null [illegible] and censured his conduct. We [illegible] before us the report adopted by both [illegible] of Congress. It is a lucid and con[illegible] document, and leaves no doubt what[illegible] VIDAURI has outraged the Federal [illegible] committed treason. So overt [illegible] it was not to be toler[illegible] the Executive trans[illegible] VIDAURI the decree of [illegible] order to surrender his au[illegible] of Coahuila to Don San[illegible]. This order has been treat[illegible] VIDAURI, who avails [illegible] opportunity to *pronounce* [illegible] government. He declares [illegible] plan of Ayutla, and pro[illegible] ALVAREZ President of Mexico. [illegible] from private letters that he solicits [illegible] from the Texans, and that [illegible] in progress at San Antonio [illegible] movement establishes [illegible] conclusively. He is well [illegible] Texans co-operate with him [illegible] they will do every[illegible] power to detach both Nuevo [illegible] in the Mexican repub[illegible] VIDAURI would not have [illegible] their assistance, were he not re[illegible] to separate the North[illegible] rest of the Mexican [illegible].

[illegible] that in this emergen[illegible] COMONFORT will act with [illegible] and decision. He will [illegible] dispatch a sufficient military [illegible] reduce the rebel to [illegible] we have reason to believe, [illegible] people are in favor of the pres[illegible] they will not fail to give [illegible] support to its efforts to crush [illegible] ere it has time to [illegible] consistency. We trust [illegible] triumph, as his able ad[illegible] the only, and perhaps [illegible] political regeneration of [illegible].

[illegible] we may as well al[illegible] by various letters in [illegible] *Herald*, and other prominent [illegible] appears that Señor ROBLES, Min[illegible] Mexico [illegible] the United States, is [illegible] persecution of a clique of [illegible] parties in this coun[illegible] seeking to have him [illegible] government, on the pretext [illegible] to COMONFORT. From in[illegible] we have full faith in, we [illegible] charge, and brand it as a [illegible] ROBLES is a true-hearted [illegible] far from endeavoring [illegible] present Administration, or im[illegible] deeply interested in its [illegible] warm champion of COMON[illegible] liberal party. The President of [illegible] cause of political reform in [illegible] more ardent and truer [illegible] ROBLES.

[illegible] Washington letter in the New York *Tribune* says: "Bets are running high here in Washington that FILLMORE will carry Vir[illegible]."

REPUDIATES THE SQUATTER SOVEREIGN—[illegible] GARAWAY, the editor of the Brownsville (Tenn.) *Journal*, has abandoned the Democratic party, and declared his adhesion to FILLMORE and DONELSON. So it spreads.

MORE DEMOCRATIC DEFECTIONS.

The following Democratic papers have abandoned Buchanan during the last week:

The Portland *Expositor*, a leading advocate of the Democratic cause in Maine, last year, now supports Fremont.

The *Rockford, (Illinois) Democrat*, always an old-line Democratic paper, has hoisted the name of Fremont.

The "*Anzeiger des Nordens*," the German paper published in Boston—a paper which has heretofore supported the Pierce administration—has declared against the Buchanan ticket, and come out in support of the Philadelphia nominations and platform. Last Saturday week it put the names of Fremont and Dayton at the head of its columns.

The *Courier*, a German paper published at Cleveland, Ohio, for the benefit of the Buchaniers having stopped for the want of breath, the Cincinnati *Volksfreund* is now the only German daily in Ohio that swears by Buchanan.

In Galoa, Illinois, a new Fremont paper has just appeared in the Swedish language. There are now 100,000 Swedes in the Northwest, and this is their first political paper.

The New York *Tribune* sums up its survey of the Presidential field by the following estimate. It is the calculation of an adversary, and we give it as such:

Fremont.	Votes.	Buchanan.	Votes.	Fillmore.	Votes.
Maine	8	Virginia	15	Maryland	8
N. Hamp	5	North Carolina	10	Kentucky	12
Mass	13	South Carolina	8	Louisiana	6
R. Island	4	Georgia	10		
Connecticut	6	Alabama	9	Total	26
Vermont	5	Mississippi	7		
New York	35	Florida	3		
Ohio	23	Texas	4		
Michigan	6	Arkansas	4		
Wisconsin	5	Tennessee	12	*Very Doubtful.*	
Illinois	11			N. Jersey	7
Iowa	4	Total	82	Pennsylv'a	27
California	4			Delaware	3
				Indiana	13
Total	129			Missouri	9

We take out of the Fremont column New York, California, Rhode Island and Massachusetts. The first we put under FILLMORE's name, and the three latter among the doubtful States. Tennessee we abstract from BUCHANAN and give it to FILLMORE. Virginia, North Carolina, Georgia and Florida we place among the doubtful. We take New Jersey and Delaware from the doubtful column, and give them to FILLMORE. By our estimate, FREMONT has 73 votes, BUCHANAN 32, FILLMORE 83, and doubtful 108. November will decide which of us is nearest the mark.

New York Radical Democratic Convention.

SYRACUSE, July 24.—The Convention of the Radical Democracy of this State, which meets here to-day, is composed of 300 delegates. There are present many of the most prominent and influential members of the Democratic party. The Convention will organise at 1 o'clock.

SYRACUSE, July 24—P. M.—The Convention was organized at 2 o'clock. James S. Wadsworth was chosen President.

David D. Field submitted a long address to the Radical Democracy repudiating the Democratic party as at present constituted and its pliancy to the slave power; deploring the consequences of its acts in Kansas and elsewhere, a remedy for which is only to be found in the defeat of the Cincinnati nominees, and the admission of Kansas as a free State.

The address eulogizes and endorses the Republican candidates, and calls on the Democrats to support them.

Resolutions embracing the sentiments of the address were adopted with enthusiasm.

Wonder if our brother of the *Courier* considers these Democrats "small, local politicians."

Important Facts for the South.

The New York *Tribune*, in reviewing the chances of the Black Republican candidate, admits that Fillmore's being in the field, may defeat Fremont in *Maine, Connecticut, Rhode Island, New Jersey and Pennsylvania*. With respect to the last, it speaks thus emphatically:

"Fremont could carry it by at least 20,000, *if Fillmore were out of the way*, and we trust he will carry it still.

This, says the Richmond *Whig*, is a most important concession from the enemy, of the great service Fillmore is rendering to the South and the whole Union. But it is a great deal more. It proves that Fillmore is the only real adversary of the Black Republicans—that he is the only man who stands a good chance to defeat them—and that he is *the* man on whom the conservatives of the whole Union should rally. No time should be lost. Some patriotic Democrats in Washington have already been discussing the propriety of *withdrawing Buchanan*. Let them carry out their intention forthwith. The sooner the better. Fillmore is the man to beat Fremont. "*A Durham calf with two cows' milk*" is not fit for a race!

Commodore Stockton Withdraws.

The Newark *Eagle* of the 23d contains the following letter from Commodore Stockton, withdrawing his name from the Presidential canvass, in favor of Millard Fillmore:

GENTLEMEN: Our efforts to prevent the great American party from being sectionalized or abolitionized, have been successful. It has been purged of all sectional and abolition men and dogmas. The National Camp has endorsed Mr. Fillmore's Americanism, and he is pledged to uphold the integrity of American principles and the perpetuity of our reformed organization.

My object has been attained, and I am no longer a candidate for the Presidency.

Your friend and obedient servant,
R. F. STOCKTON.

To Messrs. ALLEN, JONES, ROBBINETT, &c., &c., Committee.

The *Eagle* remarks: "The political field in New Jersey is now unobstructed. The skies are bright and brightening. Every gale that sweeps over the State bears on its wings the most joyful intelligence. From every quarter glad tidings fall upon the ear. We have only to be true to ourselves, our principles, and our country, to achieve one of the proudest victories that ever electrified the American heart.

Massachusetts.

The Boston *Courier*—old-line Whig and uncommitted for the Presidency—makes the following calculation of the vote of Massachusetts, based upon the vote of last fall:

For FREMONT—
1. The Republicans..........36,521
2. ½ of the Americans.........12,918
3. 454 Whigs.................454
4. Democrats..............0—49,893

This would leave for FILLMORE—
1. ½ of the Americans.........38,756
2. The Whig phalanx.........14,000—52,756

The Democratic vote was about 30,000, and is left as it was last year. The *Courier* draws the conclusion that FILLMORE's chance is the best for Massachusetts.

MORE WITHDRAWALS.—John F. Collins, Jas. C. Collins, A. J. Collins, E. Springer, John O'Neal, Wm. McAllister, J. D. Treadway, B. F. Bitton, G. W. Mays, Michael Arvalt, W. D. Pricker, Wm. Johnson and Randal Rhodes have published letters in the Arkansas *True American* of the 5th inst., announcing their withdrawal from the so-called Democratic or foreign party, and their determination to go for MILLARD FILLMORE.

There is a stampede among the Democracy of Arkansas.

A Letter from Mr. Fillmore.

[From the Philadelphia News.]

The following letter from Millard Fillmore, addressed to a gentleman of this city, who does not wish his name made public, has been handed to us for publication:

BUFFALO, N. Y., July 4th, 1856.

——— Esq.,—*Dear Sir*: I have the honor to acknowledge the receipt of your friendly note of the 30th ult., together with the beautiful cane accompanying it, made from one of the joists which supported the floor of the library of the late lamented Henry Clay.

I accept this token of your friendship and respect with grateful emotions, and shall value it not merely or mainly for its costly and elegant workmanship, but chiefly for the motives which prompted the donation, and the reminiscences awakened by the association. I shall never look upon this cane without being reminded of Ashland and its late noble possessor. Though dead he still lives, and his voice, speaking from his consecrated grave, calls upon his countrymen to stand by the *Union* and maintain the *Constitution*.

He was my friend, and I shall be most happy if my conduct shall prove that I was worthy of his confidence.

With renewed thanks,
I am truly yours,
MILLARD FILLMORE.

Whig State Central Committee.

ALBANY, July 24.—The Whig State Central Committee met to-day in this city, and adopted the following resolutions:

Resolved, That, in the opinion of the Committee, the views entertained by Whigs of other States, as to the propriety of assembling a National Convention, to take such action in reference to candidates for President and Vice-President of the United States, as will best sustain and carry out the principles of the Union, and be calculated to restore the country to its former peace and harmony, meet our entire approbation, and that we invite the Whigs of the several counties of the State to a Convention at Albany, on the 26th of August, to select delegates to the National Convention to be held at Baltimore, on the third Wednesday of September.

Resolved, As individuals, that in Millard Fillmore we have a candidate who possesses those qualities which are necessary for an efficient administration of the government, and, therefore, that we respectfully but earnestly commend him to the favorable consideration of the Convention.

THE RAILROAD CALAMITY.—VERDICT OF THE INQUEST.—Philadelphia, July 25.—The coroner's inquest on the recent railroad disaster have rendered a verdict attributing the accident to the criminal negligence of the conductor, Hoppel, of the excursion train, and censuring the company for defective rules.

CONGRESS.

WASHINGTON, July 24.—*Senate.*—Mr. Seward presented an invitation from Cornelius Vanderbilt to the members of the Senate to visit his new steamship, now lying off Greenleaf's Point, on Saturday next. Mr. Mallory introduced a joint resolution authorizing certain officers of the United States navy to accept gold medals from foreign governments; which was considered and passed.

Mr. Weller moved that the Senate proceed to consider the Pacific Railroad bill; and a long discussion ensued, Mr. Seward and several other Senators desiring to go on with the internal improvement bills. Finally, Mr. Weller, finding that the whole day was likely to be consumed in a debate on the priority of business, withdrew his motion, and the Senate then discussed the question of internal improvements until half-past four o'clock, when they adjourned.

House of Representatives.—Several Executive communications were received. The House agreed to hold evening sessions in Committee of the Whole House during the present week, commencing at seven o'clock, for the purpose of general debate. The New Mexico contested election case was called up for consideration, when Mr. Otero, the contestant, was declared entitled to a seat as a delegate from the Territory of New Mexico, in the place of Mr. Gallegos, the sitting delegate.

The House, after ordering the printing of 20,000 extra copies of the majority and minority reports of the Kansas investigating committee, together with the journal of said committee, and the evidence taken by them, and 100,000 extra copies of the same reports without the journal and evidence, went into Committee of the Whole, and proceeded to consider the Fortification bill, when the House took a recess until 7 o'clock.

After the committee reassembled, Messrs. Davis, of Massachusetts, Sapp, of Ohio, Barksdale, of Mississippi, Clawson, of New Jersey, Dean, of Connecticut, and Stewart, of Maryland, addressed the Committee, when Mr. Clark, of New York obtained the floor.—The committee then rose, and at 11 o'clock, P. M., the House adjourned.

WASHINGTON, July 25.—*Senate.*—After the transaction of the morning business, the Senate resumed the consideration of the bill to authorize protection to be given to citizens of the United States who may discover deposits of guano; which, after having been amended in several important respects, was read a third time and passed. The Senate then proceeded with the discussion on the question of internal improvements, which has occupied its attention for several days past, and at four o'clock, after having passed two or three bills for harbors in Michigan and Wisconsin, adjourned.

House of Representatives.—The House went into Committee of the Whole on the state of the Union and resumed the consideration of the army appropriation bill, which was amended so as to declare the laws passed by the territorial Legislature of Kansas null and void, and to prevent the employment of a military force to aid in their enforcement. The committee then rose, when resolutions were reported from the Committee on Elections, declaring Mr. Reeder, the contestant, entitled to a seat in the House as a delegate from Kansas Territory, in place of Mr. Whitfield, the sitting delegate. A minority report was also submitted, which, together with the majority report, was ordered to be printed. Notice was given that the case would be called up early next week.

The House then again went into Committee of the Whole and resumed the consideration of the fortification bill, when a recess was taken until seven o'clock.

After the committee re-assembled, several speeches were made.

Telegraphic Items.

LOSS OF A BALTIMORE VESSEL.—New York, July 25.—The brig *Anna*, of Baltimore, from Aspinwall, for the Pedro Banks, was struck on June 26th by a waterspout and capsized. The captain's son and three seamen were drowned. The rest of the crew escaped in the long boat, landing near Carthagena, after rowing for four days. They arrived here this morning.

FROM SOUTH AMERICA.—New York, July 25.—The steamer *Tennessee*, from Porto Cabello, with dates to the 12th inst., via Porto Rico, with dates to the 17th, arrived this morning. Among the passengers is S. H. Young, United States Consul at Caracoa, with dispatches announcing the conclusion of an important commercial treaty between the United States and Venezuela. The news is unimportant.

The cholera was still prevalent in Caraccas. There were but few American vessels in the Venezuela ports.

ARREST OF MR. BURLINGAME.—Washington, July 25.—Mr. Burlingame, in answer to a warrant, appeared before Justice Hollingshead this morning in company with Mr. Campbell, of Ohio, and the two entered a joint bond for $5,000, that Mr. Burlingame shall not engage in any duel in the District of Columbia, or leave it for that purpose.

FILLMORE RATIFICATION MEETINGS.—New York, July 25.—The Fillmore ratification meeting at the Academy of Music last evening, was largely attended. Speeches were made by Messrs. Davis, of Maryland, Moore, of Ohio, and Marshall, of Kentucky.

The Brooklyn meeting held last night was also large. Speeches were made by Messrs. Harris, of Maryland, Marshall, of Kentucky, and Perrin, of Tennessee.

From Kansas—The Indian War.

ST. LOUIS, July 25.—Advices from Kansas say that Colonel Lane crossed the Missouri into Kansas, on Monday, with six hundred men, armed with Sharp's rifles, revolvers, bowie-knives, &c. After crossing, Lane returned saying he would make his way up the Missouri with the other regiment.

General Harney, Colonel Barker and Captain Pleasanton had arrived at Fort Leavenworth, and reported that a party of Cheyenne Indians had attacked the guard-house at Fort Kearney, and rescued the Indian prisoners there, making good their retreat with the loss of three killed.

Colonel Fountleroy arrived yesterday from New Mexico, and reports the Indians quiet in the Northern part of the Territory.

The steamer *Northern Indiana*, which was burned last week, was valued at $200,000.—She was uninsured.

CITY INTELLIGENCE.

SECOND DISTRICT SCHOOL BOARD.—This body convened in the Library Hall last evening—Mr. Charvet presiding.

As we entered the room some discussion was going on concerning the election of teachers.

Judge Bermudez asked for a dispensation of the rules in order to present a resolution for deferring the election till the 26th of September. He stated that his object in offering such a resolution was, that he should be called away on a visit to some relatives in Europe, and that he considered the business before the Board too important to be transacted without a full attendance. He further stated that he would forego the pleasure of his anticipated visit, should the Board necessitate it by refusing to adopt his resolution.

Mr. Charvet left the chair and spoke in opposition to the matter. He stated that he, too, would be called off on a similar mission with Judge Bermudez, and at the very time in which it was proposed to defer the election. He felt that his who would be absent, there would still remain those who could make the proper selections at any time.

Judge Bermudez replied that the majority of the Board were newly chosen members, and without experience in such matters.

After considerable discussion the rules were dispensed with, but the motion was lost. Mr. Dupuy then offered a resolution for fixing the 26th of August as the day for electing the teachers. This was seconded by Judge Bermudez, and unanimously adopted.

Mr. Eugene Rossi offered his resignation as Secretary of the Board and School Librarian. It was accepted, and a very complimentary vote of thanks was returned for the highly satisfactory manner in which he had performed his duties.

Mr. A. Cousin, a most excellent selection, was chosen as his successor.

A lengthy report of the Superintendent was approved.

The [illegible] communication of Dr. Dalery, on German [illegible] education, was reported upon by the committee and ordered to be printed at a cost not to exceed fifty dollars.

No other business of special importance was transacted, and the Board adjourned till Thursday, the 7th inst.

LAKE CONCERT.—The Can't-Get-Away Club will recollect that Lehmann, the popular artist, gives a grand concert this evening at the Lake end.

ARREST OF A NEWSBOY.—Little Tim Kelley, a newsboy, was arrested yesterday morning by officer James, and arraigned before Recorder Stith, on a charge of selling some copies of the "Life in Boston," and thus contravening the new city ordinance for suppressing the sale of all obscene, libelous or scandalous prints. The Recorder mulcted the little fellow in the sum of $10, and ordered that, in default of payment, he should be sent to prison for one month. It is expected that an appeal will be taken to one of the higher Courts.

DISCHARGED.—J. H. Taylor, Denis Campbell, Ned Buckley and Sylvester Harper, the four young fellows who were accused of having entered the state-room of Mr. California Steele, while on board the steamer Fanny Bullitt, and of having stolen his gold watch and about twenty dollars in money, after having stupefied that gentleman with chloroform, were all duly examined before Recorder Stith yesterday, and discharged. There was no positive testimony against them, and it appeared that they had been arrested solely on suspicion, because a hole was found cut in the mattress of the room which they occupied, apparently for the purpose of concealing something. None of the property stolen was found in their possession, and they had not even been seen near Mr. Steele's room.

ATTEMPT TO SHOOT.—One J. H. McKinsey has been arrested, and is held for examination before Recorder Stith, for having disturbed the peace of Julia street, and for attempting to shoot officer Ewing-ton.

DROWNED HIMSELF.—We learn that a seaman named John Garvis jumped overboard on the 1st instant from Capt. Marlsten's schooner Helen, while the vessel was out on Lake Pontchartrain, and was drowned. He had been very sick with fever, and was, doubtless, delirious from its effects. He is said to have been a native of Bremen.

SENT BEFORE THE CRIMINAL COURT.—B. Holthouse was examined before Recorder Stith yesterday, and committed before the First District Court for trial, on the charge of having wounded Emanuel Blenery, by striking him on the head with a brick.

Henry Kreeper was examined and sent before the same tribunal to answer for resisting a process from a Justice Court.

Alex McVicker was examined, and also committed for trial, on a charge of having stolen a mule worth $75 from James McConnell. It appeared that the latter had purchased the animal from McVicker, and that there was some dissatisfaction at the bargain.

MAYHEM.—John Duggan was arraigned before Recorder Stith yesterday, and remanded for further examination till the 13th proximo, on the charge of having committed the crime of mayhem on the person of Humphrey Barry, by biting and otherwise beating him on the 5th day of February last, till he became blind from the effects. Barry has not yet fully recovered his sight, though he has been under strict medical treatment ever since.

THE WORLD'S FAIR OF ALL NATIONS.—Among the noticeable things on exhibition at the Crystal Palace, we saw the contribution of *New Pills*, from the laboratory of Dr. J. C. AYER, the author of the widely known and valued CHERRY PECTORAL. As it is against the express regulations of the Palace to admit any quack medicines, this fact shows that his remedies are not placed in that category by the authorities.—Indeed, we have before known that his Pectoral was highly appreciated by scientific men, and have seen lately that his Pills are held in great estimation by those deeply learned in the healing art.—*True Reformer, Mass.*

We again call attention to the celebrated article called Dr. J. HOSTETTER's Stomach Bitters. These Bitters have, for their medical virtues in all cases of Dyspepsia, Flatulency, Constipation, or General Debility, become so popular and in such general use, many unprincipled men have refilled the bottles with some vile preparation, and palmed it off for the genuine, while others are putting up an article represented to be the same; but we advise all acquainted with Hostetter's Bitters to use none other, and to buy of none but a respectable dealer.
