439 ATROCIOUS PRAUD ON THE PUBLIC ARREST AND COMMITTAL OF THE PER-We fears from the Philadelphia press that Holis, who was clarged with consustrations on extensively the labels of Holisway's Pills, has been committed to Koyamesaing just for trial, in default of bail. The examination showed that the immense sales of Holisway's Remedies in this country had long since agil tell the condition of a since agil.

pleaser Holloway, the every city of the Union, had been closely watched, the extent of their beamess ascertained, and finally a system of considerability pianaed out which, is extent and magnitude, has probably never been equaled in this or any other country. We hope the fortunate arrest of the chief conspirator, Heilits, will tend to explose the whole schemes; all the mesteroid of the reasonity combination is now in the heads of the police. It is nonewhat a time of the property of the property of the theory way with impunity. He agents "cover the lend," consistency an all-pervading "riginance committies" whose signary eyes are ever open to bit heterests and the interests of the sick, which are in thet "one and inseparable." Hollis and his gang frept the independent medical points, ever on the abert, all in direct communication with the office in New York. They left out of their calculations the boundiess promisers from the six of the continuous states of the continuous and suddent and the complex of the south of the continuous the boundiess promisers of the south of the calculations the boundiess promisers from the six of the continuous the boundiess promisers of the south of the continuous to the continuous of the continuous and suddent should be completely when continuous of wholesale reasonity, will, we trust, be a warming to the resolution. To timely discovery of this solume of wholesale reasonity, will, we trust, be a warming to the resolution of Philadelphia, and the comprisory is utterly crushed. He office in the continuous of wholesale reasonity of Holloway's Phila, for only against similar frames for the frames. All the properties are and against similar frames for the frames. The considerate of the majorist he leading to the majorist he leading to the similar frames for the frames. The considerate of the continuous and the properties of the specific and the comprisor of the solution of the properties of the specific and the comprisor of the solution of the properties of the specific of the majorist w and large codes.
