Final Settlement of the Control American Question.

The London correspondent of the New York Herold, writing under date of the 15th enco of political new; the Resistant having the personal date of the 15th uit, announces the deficitive settlement of the Control American question, and furnishes the general terms of the adjustment. With respect to Bonduras, the matter was arranged between Lord Clarkinon and Don Ytoron Haman, Plenipotentiary of Honduras. The traites firswun up by these negotiators have already been signed, and consist—list of a general traity of anity and commerce.
