DR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
PREPARED BY
Dr. C. M. JACKSON Philadelphia, Pa.,
WITH SPECIFICS FOR CURES
LIVER COMPLAINT, DYSPEPSIA,
Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or Suffocating sensations when in a lying posture, Dimness of Vision, Dot or webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and a great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a few years trial before the American people, and its reputation and sales unrivaled by any similar preparation, are the best testimony to its favor, given by the most prominent and well known Physicians and individuals in all parts of the country, is unnecessary, and a useful portion of this Almanac, published annually by the proprietor, and to be had gratis of all who keep the medicine, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

JACKSON, La., August 15, 1854.

DEAR SIR:—I feel bound to express my gratification to you for the unquestionable benefit I have derived from the use of two bottles of your German Bitters. AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Coughs, Colds, Hoarseness, Bronchitis, Whooping Cough, Croup, Asthma and Consumption.

Wisdom shall not always speak in vain, and the great of the earth shall kneel before it

Never could this be said with more truth than in now applied to the remedy for all forms of the Throat and Lungs. The certain and benignant power acknowledge its supremacy, while both the learned and the people proclaim it the best. The liberal minded among the medical faculty confer on it the highest encomiums, and the clergyman whom has labored to extend the blessings of restored health to the afflicted, but feels it a duty and a pleasure to add his testimony to the lump of that every day is thereby suffering follow men.

Witness the following testimonials:

Terrebonne, La., April, 1853.

Mons. le Dr. J. C. AYER—I have of late made frequent use of your Cherry Pectoral in my practice, and am happy in informing you that it is more and more fulfilled me. I have in the course usually given to Laryngitis and Bronchitis, and I shall not hesitate to give it in every case of Asthma which I may meet with, feeling confident that it will relieve the patient sooner than any other remedy. Accept, Sir, the assurance of my feeling esteem and consideration.

JULES CLAUDE LOUQUET, M. D.,
Late Surgeon of the Navy, Marine Corps.

Extract from a letter to our Minister at the Court of the Sublime Porte.

Department of the U. S. A.,
Constantinople, Turkey.

Dr. J. C. AYER—Dear Sir:—I feel that I should be guilty of a neglect of duty to my fellow-citizens were I not to inform you that the Sultan has been cured of a severe cough by the use of your Cherry Pectoral. Many of the officers of the palace, and your worthy countryman Dr. Dale, have also been cured in like manner. So much for the good you have done in a foreign land. Yours respectfully,

JOHN P. MARSH,
Minister Plenipotentiary of the U. S. A. to Turkey.

PILES! PILES!! PILES!!!

WE call attention to all who are afflicted with this dreadful complaint to the following unsolicited certificate from one of our most respectable citizens. Mr. Bowen is well known in this city as the "Hero of the Dixie Line," and from my gunmaker in Philadelphia.

DR. PERRIN—Leave, sir, to say to you that I have been afflicted with the Piles for many years, and that I have used extensively Barker's Pile Ointment, and regret to say have found but of it will do no effect, but that the last time I used it was for two months since. I commenced using your remedies for the Piles, and am happy to say to you that they have had the desired effect, having entirely overcome that distressing complaint after suffering years of age. I sincerely recommend them to all afflicted with the above complaint.
