tre entitled to \$10, in addition to any prime bey may draw.

The steamer Suracan arrived here yester-

lay, from St. Louis, and makes the following report:

Left St. Louis 21at December, Weather, clear and cold—ice running fast. On the 23d the wind blowing hard and ice running fast. Sth. Her news has been anticipated by the fast. Grounded on St. Genevieve Bar, 2 and miles below the town: every pessible effert was made to get her off—and in these efforts, bruke rudder and wheel. Being thus distributed the river falling fast, and ice running heavy—the captain took the yarl, and, with second mate and 2 men, attempted to make the shore, which they succeeded in the second mate and 2 men, attempted to make the shore, which they succeeded in the second mate and 2 men, attempted to make the shore which they succeeded in the second mate and 2 men, attempted to make the shore which they satisfance; the contracting Courts, and has rendered recessary a meeting of their respective representatives to hastan the complete exceeding of the treaty of peace. The majority of the other, (the Kats Sacsid) after much piers and the satisfance; the other, (the Kats Sacsid) after much piers and the satisfance in the other, the Kats Sacsid) after much piers and the satisfance in the other, the Kats Sacsid) after much piers and the satisfance in the other, the Kats Sacsid) after much piers and the satisfance in the other, the fast in the satisfance in the other, the satisfance is the other, the fast in the satisfance is the other, the fast is considered and the present in the satisfance is the other, the satisfance is the other than the satisfance is the satisfance is the other than the satisfance is the satisfance is the other than the satisfance is the satisfance is the other than the satisfance is the satisfance is the satisfance is eport: Left St. Louis 21st December. Weather

They then attempted off, but the boad best state of grade in the ice and was unimanageable, and the current drifting show the river at the rate of eight miles and boar. All now expected to perish. By the time they had drifted five miles, they then found that they were drifting in to the shore, and concluded to reach they shore with they shore drifting in to the shore, and concluded to reach they shore with they shore drifting in to the shore, and concluded to reach they shore with they shore with they shore they shore with they shore drifting in to the shore, and concluded to reach they shore with the shore by going on to the lea, in which they shore with the shore by going on the lea, in which they shore with the shore by going on to the lea, in which they shore with the shore with the shore with the shore with the shore by going on the lea, in which they shore with the shore

THE ATELANTIC TELEGRAPH.—The first installment of twenty per cent, upon the capital stock of the Atlantic Telegraph Company, was promptly paid at London on the 9the instant.

BY MARKETIC TELEBRAPH. THE OATE LATER FROM SUBOPR. ERRIFEL OF THE BEARAGE AT BALIFAL ABNORED EN CONTON.

Her Peer January 1—The Seryal Mail beamstay These from Liverpool on the Aberrapool of the Sell vit., Arrived at Ealthur has made the Rotton,
The Expressy and Period had both arrived out. CONCRETE DITELLIGRACIA

ceeded in rasing stam, and got off at 2 of the result of the same wouth. Of these deep states and five hours. After getting afoat, handed, chopped seems wood, and proceeded on her voyage, and of a riving at Capo Gir ardeau, entered a protest.

The following is the only carge she brought to port, viz: 1000 bbis. Hour, 120 boxes only.

The stamphip Procedure, which was seized by the United States Marshal at New York among the asset of the full business of the full business of the first must be company, has been purchased by Mr. Var. unsubtr for the sum of \$10,000.

The Arlangue Tellowaph.—The first installment of twenty per cont. upon the control arge quantities of makes has been landed for the lineargents.

Attempting the control and the control arge of the English and Front despitation. A dispatch from Naples, dated the 7th inst., and proceeding the country from Naples amounce the representance of the Sicilian insurrection, and adds that arge quantities of makes has been landed for the insurgents.

Attempting the control of the same wouth. Of these charge in the statement of the same wouth. Of these charge in the statement of the having, three days after his liberation, includes a street on the strain of the same wouth. Of these charge is carried as a street was consequence. It is strange that these constraints are completed to constraint number of conjugation of the surface. The first install the same value of the same value of his having, three days after his liberation, one has income has i
