The New Angusta Parathers.—Physically, he as a large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, be as large, powerfully built man; indeed, neither physically, built man; indeed, neither physically, built man; indeed, neither physically, and the properture of the local and the was in earlier day years and neither physically, and the physical phy

During the debate in the Sanate on the bill ; METICO. During the debate h the Sanate on the bill to give the judicial advertisements to the State paper, Mr. Sr. Paul made the following remarks:

At present, said Mr. St. Paul, contracts for judicial advertisements were under the control of the Sheriff of Orieans. There was an understanding between him and mass. If not all the newspapers is the city, by which the divertising was loosely as in at probably, one handred per cent, below the usual rate; yet he charged the userpolants the regular price, if per square.

Mr. Sr. Paul's real greatly outrons his constants and revolutionalists are based or reactionalists and revolutionalists are constants.

First 1848 A 2026 of 1849 and 1849 and

ered themselves up to Gen. Parrodi.
Sonora has been the theatre of sanguinary events. The Yaque tribe of Indians had committed fearful excesses in the neighborhood of Guaymas, but were subsequently routed with considerable loss. The Apaches were persued and beaten with a loss of 60 killed and 40 prisoners. The insurgents are in league with the savages of Sonora. One Jesus Gandara is at the head of the rebellion, and appears to be a most incarnate villate. Saya the Extraordinary.

The horrors of war are more dreadful than

refunction closed.

The House Committee on Indiciary have solved the Judge Waterous, of Texas, shall impeached for buth crimes and misdenances. This is the first impeachment of a cleral judge for twenty seven years. The amounties will report on the first opportu
