Snement.
All butthe Archbishop were put in the deputation, where, we believe, they still remain, though it was runnored that the padres were sent of to Vera Ciru. on Tuesday. We have reason to believe there is no truth in the same?

THE ARCHRISHOP TO BE RANISHED. A decree bandshing the Archbeshop and other prelates has been published by order of the supreme government. After recounting in round and measured senience, the decree concludes with something of this sort. "The offerace is of so gave a character as to call for the bandshinent of the Archbishop from the republic, the long five penalty designed by the laws for such cases, and which, is all times and in various nations, has been in all times and in various nations, has been the supreme and research to the state of the Archbishop's head state of the Archbishop's head supreme and the respect that has a danger days and the respect that has the virtues deserve, have induced the President to limit the penalty to imprisooment in his palace, till further orders." The curstee of San Juan del Rio and Hechimilcho were arrested and thrown in prison for preaching inflammatory and sections sermines. THE ARCHBISHOP TO BE BANISHED

The Mexicans have at length learned the fate of the Forsyth treaties, and are sorely chagrined at the result. The rumor of the negotiation of another treaty involving the abonation of a pertion of the Mexican territory is by no means popular. The Traid Union to eight savagely against any such project.

ject.

A destructive fire broke out in March on the bactenda of Den Nicolas Bravo, consuming one hundred and seventy houses, and an immense quantity of spricultural produce, and reducing upwards of eighty families to indigence.
