MEDICAL.

DR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
PREPARED BY
Dr. C. M. JACKSON, Philad'a, Pa.,
WILL EFFECTUALLY CURE
LIVER COMPLAINT, DYSPEPSIA,
Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dot of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparation extant. The most unbounded confidence, given by the most prominent and well known Physicians and individuals in all parts of the country, as witnesses, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of all the agents cannot but satisfy the most sceptical that the remedy is really deserving the great celebrity it has obtained.

The most ample evidence of its adaptation to the diseases for which it is recommended.

Testimony from Louisiana,
THE GERMAN BITTERS SUPERIOR TO ALL PREPARATIONS NOW IN USE.

JACKSON, La., August 13, 1854.

DEAR SIR:—I feel bound to express my gratification to you for the incalculable benefit I have derived from the use of two bottles of your German Bitters. I have found them to be all you recommend them to be, and cheerfully recommend them to the public as a safe and sure remedy for the diseases they are intended for, and superior to all other preparations now in use." Very respectfully yours,

H. GUYTENHEIMER

THE BITTERS ALL THEY ARE REPRESENTED TO BE.

JACKSON, La., August 20, 1854.

DEAR SIR:—I have used, and can say that the Bitters all they are represented to be, and cheerfully recommend them to the public as an excellent medicine." Respectfully yours,

W. F. FAULKNER.

I. MAYER says:

HARRISONBURG, La., May 28, 1853.

"Your German Bitters are a very valuable medicine! I have recommended it to several from you, and wish now supply immediately.

Dr. RAYBOLD QUAIL says:

"Trinity, Tensas Parish, La., June 30, 1853.

"I have for the last year used the German Bitters, prepared by you, in my practice extensively. It is with pride I can say they are the only medicine that can be really sold here, and I believe that in less than one year there will be more sold in this vicinity than in any other part of the country."

Dr. RANKS says:

"Franklin, La., June 24, 1852.

"Your German Bitters have become very popular here, and I wish a fresh supply immediately."

A. F. ADAMS & CO. say:

"Richmond, La., June 2, 1853.

"Your Bitters give universal satisfaction to all who have used them."

You should bear in mind that these Bitters are entirely vegetable, thereby possessing advantages over most of the preparations recommended for similar diseases.
