An outrage of a very aggravated character was perpetrated by some free negroes in this county, a few miles West of Raleigh, on least Thursday night. As we have gathered the facts, they are as follows:

Mosora, Albert Hinton, James Penny, Barmeller, and the dascharge arion Keith, were patroling, in the dascharge arion Keith, were patroling, in the dascharge arion of the state of the county of the county court. In the dascharge arion to the lands of Mr. Heverly Jones were there was a wedding. They discovered there was a wedding and frolicking generally. This assemblage it was their duty to look after, and in order the better to accomplish their purposes, the three first divided off to different doors, Mr. Keith remaining with their horses at a short distance. Mr. Pouny was met at the door by two negro women, to whom be spote, ordering them to remain in the house. They attempted to roush past him, when he atruck one of them with his whip, and at that moment he was land to the assistance of his contrades, was also attenticed upon the ground.

All three were stunned and sonseless. Mr. Keith now rushed forward, and he sisc received some blows, but was not disabled. Most or all of both whites and negroes scampered off, leaving the wounded men more dead than alive. Messrs, Keith and Jones scaped with a few contusions on the head. Mr. Pouny had the end of his nose and his upper lap split open and one of his front teeth knocked out, done with the edge of a spane. He also had several bruises on his head. But Mr. Hinton was the greatest sufferent heads by the Hill, of this city. The of these pieces is over an inch long, and nearly three-fourths of an inneh wide. This was struck in the eye with a lightwood knot or piece of split lightwood.

The general sentiment is that surrounded by the circumstances of our position as a siaveholding people, the punishment indicted by law is inadequate to the edense. The ringlenders among the negroes are Vm. Robinson, Sidney Robinson, Wm.
