voters list, and if they failed to do it the blame was their own. He then disposes of the second proposition as follows:

In reference to your proposition to appoint four Judges of Election at every place of voting. I have to say that the law very wisely sutherizes only three. The Governor has mothing to do with their appointment. It is not in my power, therefore, to adopt your suggestions in this particular. If I had any authority in the matter I would, in every instance, appoint as Judges of Election, one Republican of Joseph State, and one National Democrating factor of a fire State, and one National Democrating the state of the st We acknowledge from the Committee of Invitation the recept of committee of Invitation the recept of committee of the state of the state

SEMMONS BRAZILIAN PABBLE SPECTACLES. It will be perceived by the advertisement our columns that Messrs. D. Kernagman & Co., No. 65 Canal street, are the sole agents for the sale of these celebrated and excellent

The agents of the ship Tarolinta, Captain Kearney, which sailed from New York for this port some five or any weeks since, reversed a dispatch yesterday from New York stating that said ship had been taken into Nassau, N.P., in distress, having been ashore on the Gingerbread ground. This, is doubtless the ship seen on the Gingerbread ground by Capt. Vansice, of the bark Rorer, which was reported some time since. The Tarolinta had a large cargo of assorted merchandize, consigness of which will be found in the marrine column.

three cases of that loathsome disease. (amalox) on liavou Grosse Tete, which is all to have been contracted in New Orlean Reports of this character are always or exagerated that it is difficult to arrive at the truth. They may not be anything more the various d, which is a wide difference—and so, should excite no slarm. All prudently excited to the contract of the the batch todge sugar Planter has the following: On Theoday bast Mr. C. A. Slack, in compass with Mr. J. B. Hill, one of the employees of the ratiroud, was riding in a small derivey widom around the Grossen Tete road, when by some ameans, in descending a small decl.vity, a portion of the harness gave way and the

some emeans, in descending a small deel vity, a portion of the barness gave way and the wagen was suddenly brought in contact with the hind legged (the horse, thereby frightening him to such a degree that the animal started of as full spread, throwing Mr. Hill from the wacen and inquiring him severely, no of his legs is supposed to be bruken. Mr. Sack, in endeavoring to get out of the wagen from behind, the reins having escaped his grasp, leif and was hurt in both arms, though not serrously. As the affair was descended, which is a mirrade that both were not killed as it is a mirrade that both were not killed as a first supposed. of these, then, who of dread and herror on New Orleans sapes so kness, they for that they were need, and that the out to be something a rinch house.
