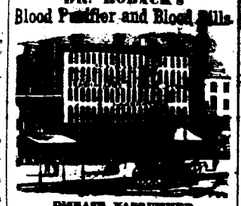
MEDICAL.

DR. HOBACK'S
Blood Purifier and Blood Pills.



DISEASE VANQUISHED
By Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT, Dr. Roback, a regular Swedish Physician, succeeded in producing a medicine from the mountain herbs of his native land, which acts directly upon the cause of disease in the blood, and by restoring the corrupted fountain of life to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, epileptic and other fits, Cholera, Consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual incapacity, feminine weakness, pricking of the skin, symptoms peculiar to early abominable neuralgia, tumor, cancer, dizziness, deathlike and debility, diarrhœa, and all disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fibre, are unerringly cured by this preparation. It is in the power of no other means of disease, what an altar is to oft said; it seizes them with almost certainty, while, at the same time, it regulates the secretions, restores the obstructions from the bowels, creates appetite, reduces bodily vigor, and imparts sound every organ. Such is the nature, such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond its ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 72 years, which confirms strong as proof of Holy Writ, the evidence which follows, and must forever banish all doubt respecting the virtue of Dr. Roback's Scandinavian Blood Purifier and Blood Pills.

Dr. C. W. ROBACK—DEAR SIR—I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife, who has been afflicted with he Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to little or no effect. At last it stirred all through her system, so that she could not rest day or night; her pain was so severe at times that she had hard work to breathe; at last became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill when there was no hope. It now was my earnest prayer that God in his wisdom would direct to some means that would restore her to health again. When it appeared, like an act of Providence in answer to my prayer, that a man, passing by, handed me one of your medical almanacs, and on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pill, I thought it must be the medicine that would cure my wife. So I sent by Mr. Thacker, our superintendent, the bearer of this, and got a bottle of your Blood Purifier and Pills; and, to our great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She is now 71 years old, and she is the oldest person that has taken the Scandinavian Blood Purifier and Blood Pills. You are at liberty to make this public, if you think it will be of any benefit to you. Yours truly,

JEREMIAH ROWAN.

A NEW DISCOVERY!!!

THE GREATEST AND MOST WONDERFUL IN THE WORLD!!!

SARSAPARILLA LOZENGES,

SIMPLE and Compound, prepared by N HERIU, S. Druggist and Physician, superior to all others, syrups and extracts so named, and to all specialties heretofore known.

I have for a long time and thoroughly investigated the idea of a powerful concentrate agent susceptible of being applied to all diseases, the development or morbid principle of which proceeds from an internal cause, either in the blood or in some of the organs.

A careful and uninterrupted analysis of the animal, vegetable and mineral kingdoms had induced the hope that I could bring about such a result, and, thanks to my indefatigable researches, it is now obtained.

I have found in some vegetables the necessary means for the grand idea, which is based upon an oleaginous principle of fixation partly known to the public. SUCH IS THE DISCOVERY WHICH I HAVE THE DAY THE HONOR OF SUBMITTING TO THE FACULTY. Lozenges has been given to me, because its form precluded the possibility of doing otherwise, and I have divided it into simple and compound Lozenges, in order that they might be given to children as well as adults.

My first experiments were made privately, and remained unknown, until wonderful results had satisfied me that I had succeeded, and that the charge of quackery could not be brought against me.

The attention of physicians and of the public is called to these Lozenges in order that every one may witness the admirable result of the same.

General edbots entitled to by upwards of a thousand persons. The Lozenges have the effect to purify and renovated by removing all impurities from the precious organ of life.

SPECIAL EFFECTS:

1. Prompt and radical cure of all diseases generally.

2. Persons who have used these Lozenges have never had the sickness nor the yellow fever.

3. Venereal, syphilitic, herpetic, scorbutical, gouty, rheumatic, and nervous and bilious diseases are completely cured, a few days after the remedy is resorted to.

4. All diseases of the lungs, head, eyes stomach, bowels, and other internal organs, are completely and cheaper entirely, provided the Lozenges are resorted to.

For sale by the box, with a prospectus showing how they must be used.

MAGNETISM.

MME ALLIARD,
FRENCH SOMNAMBULIST,
No. 331, Bourbon street, between Ursulines and Hospital.

TREATMENT of all kinds of chronic diseases which ordinary remedies have failed to cure, and especially of desperate cases of nervous affections.

Mme Allard, for many years under the direction of Dr. Pouparé, in Paris, may be consulted at her residence and calls on patients wherever her services are required.

The direct application of magnetism by Mr. Allard, assisted by Mme Allard, has been followed by prosperous cures; the fact is unquestionable. Out of a thousand cases of nervous diseases, eight hundred at least are almost instantly cured by this extraordinary somnambulism; sufferers should hasten therefore to avail themselves of Mme Allard's services.

The New Orleans Press have often recorded the radical cure of cases of nervous affections by Mme Allard. The "Louisiana Courier," the "Daily Crescent," the "Delta," "True Delta," "Picayune," and "Bee," published in 1854 and 1855, letters from well-known and highly respectable persons, whose testimony cannot be doubted, relative to the beneficial effects which Mme Allard, and fully acknowledging her wonderful success.

The same papers also spoke very highly of the surprising magnetic experiments by Mme Allard, under the direction of her husband, on the evening of December 17th, 1853, the 3d of November, 1854, and the 2nd of May 1855, 1855.

Mme Allard cannot here be mentioned the numerous cures effected by Mme Allard cannot here be stated, but the nature of certain diseases renders this course necessary. The fact, however, is now acknowledged, and references can be personally cured by Mme Allard.

A Somnambulistic influence is a great guarantee, and who has constantly been successful, is certainly entitled to the confidence of those whom ordinary remedies have failed to cure. Mme Allard cures by powerful influence in cases of nervous diseases which are produced by magnetism, as are also in cases of epilepsy, hysteria, fever and ague, asthma, low spirits, scrofula, and malignant fevers, yellow fever, head ache, neuralgia, cramp in the stomach, gastritis, gastralgy, palpitation of the heart, spasmodic affections, complaint, spleen, jaundice, colics, diarrhœa, costiveness, dysentery, inflammation, hemorrhoids, obstructions, fullness, falling of the womb, suppression of the menses, tumors in the breast, consumption, pulmonary catarrhs, catarrhous affections, deafness, weakness, scurvy, rheumatism, deafness, ophthalmy, inflammation of the eyes, obstructions, sprains, ruptures and other worms, &c.

The above diseases are daily cured with the greatest ease by Mme Allard, and the public is informed that she is the ONLY SOMNAMBULIST who can see, notwithstanding the complete exclusion of light.

Persons desirous of witnessing this phenomenon are invited to call at the residence of Mme A., and agree on the time for magnetic experiments. No one will be admitted.

Admittance, 50 cents.

Mme Allard may be consulted daily.
