DR. WESLEY GRINDLE'S
CELEBRATED
MAGIC COMPOUND,
A POSITIVE CURE FOR
Pulmonary Consumption.

Also, an effectual cure for Bronchitis, Dyspepsia, Obstinate Dysentery, Piles, Bilious Disorders, Chronic Rheumatism, Female Debility, and all diseases depending upon an impure state of the blood.

PRINCIPAL DEPOT, NO. 54 WHITE STREET, N. Y.

Patients, the gorgeous sunshine of hope may now be realized. Disease, for the remedy not only relieves, but soon entirely cures this horrible disease! But one trial will serve to prove the fact. Do not fall into an early grave, when a sure remedy is at hand.

Sure your sufferer, full of anxiety and doubt in regard to what is to be, may say, that your medicine restore a portion of lung that disease has nearly destroyed, leaving a cavity? We answer, certainly not. Nature has provided no remedy to effect a perfect cure. If the treatment be commenced in season, but little or no portion of the lung is lost. It is necessary only to arrest the disease, and when this is done, the concrete substance deposited in the tissue of the lung, locally known as tubercle, become absorbed, leaving, perhaps, a little calcareous substance which is quite harmless, and the patient finds himself in possession of whole lungs and sound health. But suppose the disease is not arrested at this early stage. The softened tubercle produces inflammation in contact with it, and then the whole of that part of the lung, the inflammation leads to ulceration, the destruction of a portion of the tissue in the vessels, a cavity is formed, the disease is not done its work of death, unless the agency of a remedy is employed, which will effect a perfect cure? *Most assuredly it does.* As soon as the disease is arrested, the morbid matter is absorbed or over-worked, and the remaining tubercles are surrounded with a holing membrane, or what is more common, where the tubercles are small, the walls fall together and heal, leaving a cicatrix, and the remaining portion of the lung exactly apparatus, true to it is now running through the system in a purified state, becomes somewhat enlarged, takes on increased action, and stands by compensates for that which has been lost.

Such is the effect of Dr. Grindle's Magic Compound, which is now prepared for using in a liquid form, according to the directions which accompany it. Dispatches are promptly made by mail and express.

Prices—One box, $3; three boxes, ordered at one time, $8; half dozen, $14; one dozen, or any number greater, $25 a box. The postage to the United States, not over 3000 miles, is 50 cents a box. In all cases the amount should be inclosed in money or stamps. We are responsible for all moneys sent to by mail.

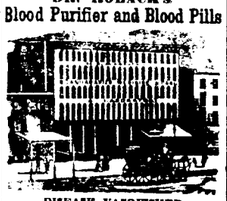
DR. ROBACK'S
Blood Purifier and Blood Pills



DISEASE VANQUISHED
By Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT Dr. Roback, a scientific practitioner of Stockholm, succeeded in producing a medicine from the mean lain herbs of his native land, which acts directly upon the corrupted fountain of life to a condition of health and purity, expels disease from the diseased system, wherever it may be located, or whatever may be its character, indigestion, nervous complaints, splenetic and other diseases, coughs, consumptions in its last stage, sore throat, bronchitis, fever and ague, asthma, low spirits, tic, neutral indigestion, feminine weakness, pricking of the skin, symptomatic pains, pain in the muscles, nursing a tumor, cancer, diabetes, inanimate and debility, nervous fear, and all diseases of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the nervous fibre, are unerringly cured by this preparation. It is in the system at once, or secrets of disease, what an alkali is to acid; it neutralizes them with perfect certainty, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates appetite, renews bodily vigor, and restores every animal function. Such is the nature, such are the effects of Dr. Roback's Scandinavian Blood Purifier and Blood Pills, when used in connection with his Blood Pills will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond its ordinary span.

Read the following certificate of a cure of rheumatism of seven years' standing, by only of 12 years, which contains strong as proof of Holy Writ, the evidence which follows, and must forever banish all doubts respecting the virtue of Dr. Roback's Scandinavian Blood Purifier and Blood Pills.

CLINTON CO., Ohio, Sept. 27th, 1866.

DR. C. W. ROBACK—Dear Sir:—I feel it my duty to acknowledge the virtue of the wonderful cure made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of remedies, but to little or no effect. At last I struck allthrough her system, so that she could not rest day or night; her pain was so excruciating that she had hard work to breathe, at all became entirely helpless, so that we had to dress and undress her like a child. We had one of our best physicians, who thought it of no use to make a bill when there was no hope. In one way my second daughter, Mrs. Wheeler, would direct to come weeks that would restore her to health again. Hearing it appeared, like an act of Providence to answer to my prayer, that I should be by, handed me one of your medical almanacs; and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. So I went by P. L. Smith's store, but our druggist, knowing of this, and got a bottle of Blood Purifier and one box of Pills, and, to my great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She is now fifty-two years old, and has the bloom of health on her cheek, all the effects of your medicine. May God grant you long life and success. Yours truly, JEREMIAH HOWAM.

Make sure of the genuine ark ics by purchasing one of respectable dealers and regular agents, or of Roback himself, No. 8 East Fourth street, Cincinnati, where he can be consulted personally, by letter as well as personally, in all complicated and difficult cases.

Price of the Scandinavian Blood Purifier $1 per bottle, or $6 per half dozen. Pills 25c. per box, or five boxes for $1.

AMERICAN
AROMATIC BITTER CORDIAL

THIS CORDIAL, whose delicate flavor and aroma are unsurpassed, is composed of powerful tonic and restorative known in cases of general debility and nervous complaints; it revives the appetite, invigorates the action and functions of the digestive organs, and thereby prevents dyspepsia, so often brought on by continual change of position. Sea voyages, the complaint of hot and humid climates. Said Cordial may be administered with equal efficacy to the infant and the aged, by following the directions printed on the label of each bottle; and its agreeable taste is not the least of its recommendations.

This Cordial has been introduced into general use in the principal coffee-houses of this city, such as Sumner, Tom, Noiy, the Age, &c. For superior to Baker's Peruvian Bitters, so celebrated throughout the United States of America, and which there can be no doubt that all who have tasted the American Bitter Cordial give it the preference over all other Bitters hitherto in use.
