meshes of that protracted litigation

is no reason whatever why

urse of two months summer bers of his former saministration."
A colliery explosion had coourred at Hountain Ash. Wales, kfiling nineteen men.
An color was brought, in the British Admiralty Court, by the owners of the American ship Leander, against the steamer North American, to recover damages for the loss of the Leander by the recent collision. A verificit was rendered against the steamer, whose owners gave notice of an appeal to a higher court. irrely adding an lota to the review of the taxation. But when once taxte becomes an immediate ermanent income. The purpose it is greatly seek to improve it he greatly sugmented, and it notify be subject to taxation in not its appraisement. A dead has be converted into a living ant hits will be speedily covered to the residences. Overflowed filled up, and rendered habitative visited projectly, and incontrolly will be both benefited and the addition of a material satisfactory will be both benefited and the addition of a material satisfactory will be both benefited and the addition of a material satisfactory will be both benefited and the addition of a material satisfactory in the satisfactory and incontrolly we cannot imagine how the owners gave notice of an appeal to a higher court.

The London Stock market had assumed more buoyancy. Consois were gradually recovering from the depression caused by the kinisterial crisis, that closed fastly at questions. Morey continued abundant, and the demand light. The Bank of England has made no sateration in rates.

The demonstration which was to have taken place in Hyde Park on Bunday, the 21st, upon the refugee question, was abandoned, in consequence of the patriotic decision of the House of Comptons; but, nevertheless, a sufficient number of questionable characters assembled in the Park, to give employment to the police, who had been strongly posted in the vicinity.

The trial of the first priest, Father Conway, for recording to wellginus initiadiation at an obecides, required in a disagreement.

ber.

The Governor of Canton was taken prisoner, as well as Yeh and the Tartar General.—
The Governor (Piquei) was subsequently installed as Vice-Governor of the city, with powers similar to those wielded previously by Yeh. The Allie were to continue their protectorate until satisfactory terms were made with the government at Pakin. A commission, composed of two Englishmen

Larent.—Paris, Friday.—The jury have given a vertical of guilty as regards four of the accused.—The Oouri presonated the cautions of death on Oriois, Radio and Florri. Ocune was conteneed to papel servitude for life. THE CANADA'S NEWS.

The steamship Conside arrived at Halfax on the loth, with dates from Liverpeed to the 7th ult. The new Cabinet had been formed but its original composition had been fractly, modified. Lord Standy takes the Odonfal is re-election to his seat in Partiament being considered doubtful. The additional members of government not in the Cabinet include the Duke of Monacous, Chancosilor of in the Duchy of Lancaster; Mr. Calross, as Solictor-General; M. Beymoure Pringerald, ir Under Secretary of Var; &o., &o.

Mr. Lofus C. Owly is appointed British in Minister to Mexico, and A. J. S. Lambey Secretary of Legation at Madrid.

In the House of Commons, on the 37th ult, new wrist were ordered for the ceats occur lead by the members of the new Cabinet. THE CANADA'S NEWS.

on taupose there is only one man who could be estructed with the public interest.

The China mail of yesterday has brought correct statistics of the tax trade for the part year. The total exports were \$5.500,000 in 1800, against \$4,400,000 last year, and \$6,500,000 in 1800, against \$4,800,000 last year, and \$6,500,000 in 1800, against \$6,400,000 last year, and \$6,500,000 la at an election, required in a disagreement and discharge.

A prosecution had been commenced by the English government against a London bookseler, named Truelove, for publishing a libelous pamphet concerning the Emperor of the French, with a view to incite divers persons to assassinate his said Majosty.

The French refuges Bernard had again been examined before a police magistrate, and remanded for further evidence. The counsel for the prisoner, in a vehement speech, demanded the admission to bait, and called on the magistrate to treat the defendant as if he was an Englishman, and not be influenced by fear of a foreign power. The speech was received with great cheering and uproar in the count.

And derest age to the county of Harvetore in the Afferd age to the county of Harvetore in the County of the Co speech was received with given covering any one of the state of the support in the court.

The suspension was announced of Messa. Samuel Lees & Co., cotton dealers, Manchester. Liabilities stated at £13,000; assets at £126,000.

CHINA.—The China mail had reached England. The Cantrieses submitted and evacuated the city of Caston on the 30th of Decompated the city of Caston on the

powers similar to aboos wielded previously Yeb. The Allies were to continue their protectorate until satisfactory terms were made with the government at Pakin, a commission, composed of two Englishmen and one Frenchmah, nad been charged with the supervision of the government, and had issued a proclamation inviting the people to return, assuring them of protection.

At the departure of the mail every thing was quiet, and there was a fair prospect of the taking off of the blookade, and the resumption of trade within a week.

In the assault there were numerous handto hand encounters. The Britis lost 100, and the French 30 in killed and wounded. A large amount of treasure was explured, but plunder was firbidden.

At Hong Kong frights were very dull and easier, and tonnage was increasing.

At Shanghai a large business had been done in tae, but a sless were checked by Ragilish advices. Freights were unaltered.

At Poochow-foot the daty question had been settled by the acceptance of Maxican dillars at two per sent discounts of the committee will report substantisity that the process of the process of the process of the process of the country to process the process of the process of the process of the process of the analysis of the process of the process
