We understand that it many localities in this initiods more damage has been considered by the late front than was at first capposed. Some planeters will have to replant considerable porties of their sotton eroys. We have heard of some planes not far off in which the young core has been made to leak decidedly front-bitten and sieltly, but we presume that encounable weather will bring it sail book to freshness and vigor.

NEW OBLEANS, WEDNESDAY MORNING, MAY 5, 1868.

CONCREMENT.

Washington, April 37.

Smeta.—After some unimportant business the report of the Constitute of Conference on the End of the Conference of the Co

consisting.

The living discussion as to whether the
mbject should be postponed, the Senate Snally agreed to make it the special order for 12g
o'clock to morrow.

Adjourned.

ويروا ويعيمون والأراف المهويون والرداء ويعملان

Adjourned.

Adjourned.

Adjourned.

Mr. Pettit, from the select committee appointed to inquire into the facts and droumstances attending the sale of the Port Bending property, made a report from the majority. He said the committee was not so fortunate as to come to an agreement relative to the facts.

In reply to a suggestion of Mr. Grow's he remarked that there was nothing in it implicating a member of where transh of Congress. He moved that the report be init on the table and that it be pricted and made the appeals order for the 18th at Say.

Mr. Burnett made a misority report, which

Mr. Burnett made a misority report, which beaution of privings, tream and assorted as asked heave to submit a presimble and resolution proposing the appointment of a select committee of ave to inquire into facts and off-commissions, by which, under the order of a Commissions of the Land Glos, Senator Eright and Expressionative English and Poley work of the Cand Charlest and Expressionative English and Poley work of the Cand Charlest and Charlest

rivilege.

Mr. Hughes wished the House to set a seal of condemnation on this malicious assault on a Benator and two Representatives. The House should maintain its own dignity and character.
The newspaper attack embodied is Mr.
Spinner's resolution was false and scanda-lous, founded in ignorance of the public stay utes of the country. He had so doubt that

House. Mr. Hughes explained that Mears. Bright, Engites and Folsy made their locations under the authority of law, from which he read exthe authority of law, from which he read az tracin.

He said the proceedings of the House were used for the purpose of stabbing a Commission role of the purpose of stabbing a Commission of the purpose of stabbing a Commission of the purpose irresponsible and infamous newspaper attacks.

Mr. Baglish made a few remarks relieving himself from any suspicion of imprepriety inself from any suspicion of imprepriety intellectual control of the second of the commission of the commissi

poliroon.

Mr. Boliner briefly explained that his object in offering the resolution referred to
yesterday was to institute an examination
into the conduct of the Commissioner of the
General Land Office.

Mr. Campbell condemned the noticing of General Land Office.

General Land Office, the Commissioner of the General Land Office, and the Indicate of the Commissioner of the Whole on the state of the Union.

Mr. J. Giancey Jones moved to take up the General Appropriation bill, but this was not agreed to, and the committee resumed the consideration of the bill granting pensions to the soldiers of the war of 1812.

After some debate, without comission adjourned.

LOUISIANA ITEMS. We copy the following interesting items from the Plaquesines Pide:

Carvasus.—We are again forced to call public attention to the crevasuse in our parish. We have been credeby informed that they have increased in number and are now more dangerone; thus, they have bees. On the right bank of the river we find two crevasuse—one on each side of the plantation of Mr. Grant; and in our last issue we had only an account of the crevasus on the upper line of this plantation.

Massac-one on each seve that the curve of the five we had of Mr. Grant; and in our last issue we had of Mr. Grant; and in our last issue we had of Mr. Grant; and in our last issue we had of Mr. Grant; and in our last issue we had also an increase in our mafertunes, viz. at Mr. Grant; and make the copy of politices, corn, etc., has been completely described in the injury they have received from the campaigness of the injury they have received from the campaigness of the injury they have received from the campaigness of the injury they have received from the campaigness of the injury they have received from the campaigness of the injury they have received from the campaigness of the injury they have received from the campaigness of the injury they have received from the campaigness of the injury they have received from the campaigness of t

set to repay the producer for his labor and care.

The Attakapas Register says:

We are paised to learn of the death, on Tuursday morning last, of the eldest on of our friend and esteemed neighbor, Joseph M. Charpantier, under most distressing ofromstances. The lad, who was about eleven years of age and very intelligent, was very badly wounded by the discharge of a gun in the hands of one of his youthful companions, with whom he was playing, a few days since; the whole charge of shot and wadding entered his left side, together with portions of his loctoring. Strong hopes were entertained of his recovery, but every effort proved unavailing. His loss is full with peculiar hardship by his father and friends, as he was a lad of unusual promise.

The Fore Smelling Report.

years of age and very intelligent, was very bodly wounded by the discharge of a gan in the hands of ose of his youthful companions, with whom he was playing, a few days since; the whole charge of shot and wadding entered his is first side, together with portions of his clothing. THE COUNCIL.

BOARD OF ALBURISH.—Bession of Tweedey evening, May 4th, 1859—Col. Summers, President, a communication of the Piscal Agent was redered to the Citizens' Bank of \$10,386 44.

A resolution from the lower Board facing the malary of the City Surveyor at 2000 per annum was concurred in. It also anthormed a warrant upon the Treasurer, in his favor, of \$3111 to as additional compensation for past services.

A recolution from the lower Board to purchase 28,200 fact of pine lumber for making plack reach inglate Pouris District, was concurred in.

A number of resolutions relative to certain streats, with one for granting Wood, Sittenberger & Co., permission to aread a steam engine on their property on Tohoupitonian familiage Committees.

An ordinance providing for the proper management and administration of the property adquired by this city from John McDonogh was sext taken up, and elicited boostdershie discussion.

Mr. Eowel tebes were that the property when bequeathed was worth \$3,260,000 but there was now hardly enough of it left for "and."

Hr. Delabarre called for the reading of the ordinances, and moved for the insertion of the words. "Comment Council' for "Finance Council's "Comment Council's "Finance Council's Finance F

words "Oommon Council" for "Finance Committee.

Mr. Vennard moved to lay the matter over. The vote stood a tie, with the assestance of the Frasident, who voted yes.

Mr. With thought the President could not vote; the latter thought he could, and read from Jedbroon's Manual.

The motion to lay over was declared to be lock, and Mr. Delabarre renewed his motion for the sebstitution as above.

The President decided that the ordinance was preparly before the Board for consurvance. rence.

Wr. Delabarre stated that he would vote
yes, but should move for a reconsideration
of his vote at the next meeting.

Mr. Witz moved for a reconsideration of
his vote, which he cast in the majority. A
dispensation of the rules was granted, when
Mr. Witz ecentended that this brought the ordinance before the Board for reconsideration.

disance before the Board for reconsideration.

Mr. Howell good naturedly observed that he had not antivipuled such a course as a doe result from Mr. Witt's motion for a dispensation to reconsider his vote.

The resolution to concur in the ordinance was now reconsidered, and Mr. Witt merged to asbettitute in the ordinance the words "Streets and Landings Committee" in the place of the words "Finance Committee." Supplearers moved his substitute for additional control of the words "Finance Committee." Witt.

Considerable confusion was manifested, and the President threatened to adjourn the Board unless the members kept order. Mr. Movell offered a substitute, which Mr. Witt moved be laid on the table. The motion for having the words "Streets and Landings Committee."

Mr. Delabarre moved for a Committee of

motion for having the words "Streem and Landings Committee."

Mr. Delabarre moved for a Committee of the Whole (of this Board) to consider the matter this evening. The motion was lost, and Mr. Writz again renewed his motion. The motion was lost.

Mr. Dupley these moved by contervence in the content of the Mr. Pelabarre moved for a dispensation of the rules for the purpose of reconsideral the active action of the Board upon the sile-tion or rejection of the ordinance. The matter was finally adopted. An erdinance from the lower Board for organizing the Controller's office was pre-marted for concurrence.
