THE DAILY BEE.

FRUAY MORNING, JANUARY 14. OUR HAVE.

Wintsoever changes of policy the progress of court country and the vertation of circumstaces may have induced us to advocate, then is one point respecting which we have neiter shortcomings nor inconsistencies to degree. We allude to the necessity of buildings a nary commensurate with our extensive seadord, and adequate to the neutronal deltee. At all times and seasons—in the mit of unbroken peace, when engaged in we or when involved in difficulties than mace; the rupture of our friendly relation with other powers, we have invariably anearnestly contended in behalf of a solid an substantial increase of this bulwark of custrength. The-wisdom and forecast of custrength. The-wisdom and forecast it will years have impelled similar recommistions to Congress. No matter what m have been the political predilections of threstend for the time being, the vital inrigance of seening ample protection to updation on the Pacido, has justified a essions on the Pacific, has justified a eus reference to this subject, and an

s are not upholders of an aggressive by. We are far from believing that the lied States require a naval force approximate the lied States require a naval force approximate the lied States require a naval force approximate the lies Governor Denver's compromise is considered to the lies of the l The Pacific Railroad bill was again up in the Senate.

A R IVAL OF THE NIAGARA.

COTTON STEADY.

AR RIVAL OF THE NIAGARA.

COTTON STEADY.

HALITAX, January 13.—The Cunard steam the short muchus expense, a formidable navalue. But assuredly we need, something the thirty insufficient even for purposed of home case, much less for the majittenance and increment of our rights on the broad an, and in the seas contiguous to the nerous lands with which, our widely-anded commerce brings us into perpetual tact. Our present navy is hardly rectable. It is equalled by that of several the minor powers of Europe. Demmark eeds our strength, and effets and imprished Spain can number with us ship ship and gun for gun.

Is almost needless to remark that the pown of the Linited States is very different will be the state for the first that it was forty or fifty vesting ago.

of the United States is very diffe what it was forty or fifty years ago we were feeble; now we are strong our commerce was in its infancy; no our material and intersection and entities grown with our growth and bened with our strength, the means cliances of naval warfare have falled ngthened with our strength, the means appliances of naval warfare have falled teep pace with them, so that at the pres-day this right arm of our power is wofuland ridiculously disproportioned to our tensions in every thing that can render a tensions in every thing that can render a on presperous and great. Is it not time us to amend this dispraceful incorprint; I any man examine carefully the political iron, and deny that contingencies may se within the next year or two which will habily involve us in war? We are not unfed in concluding that our lot is to be yet perpetual peace. This ambition, the lacity, the leadousy of European States, sigh apparently subdued by the apprehen of domestic discord and intestine feads, by at no distant period compel us to vindice our rights by an appeal to arms. Subset he rumor should prove true that Eug. I united States from acquiring Cuba by rchase, even with the domestic of Spain, is so manifest that, unless we are lost to all see of national dignity and honor, we shall selied upon to resists od angerous and ineed a pretension? Does not every man in each a pretension? Does not every man sat a pretension? Does not every man is senses perceive that a war with either o Is is reported that many in public records of the little figure time the acting of martines warfare has indearfully changed since then. Steam niv attoring the steam of the steam of martines warfare has indearfully changed since then. Steam niv attoring the steam of martines warfare has indearfully changed since then. Steam niv attoring his does not two means and a steam of two means and in the steam.

Liverpool COTTON MARKET

Liverpool Cotton dozen or two men-of-war would atch for fifty steam gun-boats, or for an unit number of steam sloops. We should not the steam sloops and the steam sloops.

A STATE OF THE PARTY OF THE PAR opie, we could equip and put to sea sectable naval force. popie, we could equip and put to see a reactable naval force. These are tritic arguments, we know, the sy are homely truths. We may talk about king Cuba, bringing Mexico to reason, and hating our banner in the face of combined drope, but all this is but "the windy asspition of forced breath"—exe et preteris nishi, live desire to be in a condition to make our vanting good, let us set to work, and concent a navy of fair dimensions. Let Cenges cease dawding and pottering over extint issues, and lay aside Presidential intigues for the nonce. The real business of the country lies before it, requiring prompt and efficient action. The stateman who will bring forward a bill appropriating tensilions to the immediate building of teenty ar steamers will approve himself a patriot, as establish a lasting claim to the national

A Faw Choice Share left for Dr. Hale's great California experiment. Apply at ones, as there will be a jam to witness the remarkable dream. Tokes office will close at 3 o'clock, P. H.

The steamship Quaker City, Capt. Shafalett, sailed at 8 o'clock yesterday membig, for Minattian, with the California melia med the following passengers:

prisoners.

OUR CENTRAL AMERICAN POLICY TO BE THWARTED.

It is reported that the French government has officially informed that of England that the latter may rely upon the support of France if the English government adopts measures to counteract the policy of the United States as ast forth is that portion of Fresident Suchanan's measure relating to Cuba, Mexico and Central America.

FALSE ALARM OF FIRE IN THE VICTORIA ARIA THEATRE. RIA THEATRE.

RIA THEATRE.

During a performance at the Victoria Theatre, London, an aisrm of fire was raised, and the audience, panic-struck, rushed for the street.

The most terrible excitement followed the slarm, and the scene was appalling.

Sixteen persons were trampled to death, and many more were injured in the fearful parties. panie.

It proved to be a false alarm, but nothing could allay the excitement or reassure the audience.

LIVERPOOL, JARREY, I.— The quotations show an advance of 1-16 on Middling Orleans Cotton as compared with those sent out by the Africa.

The Cotton market closed steady, Middling Orleans is quoted at 7d. BREADSTUFFS MARKET. BREADSTUFFS MARKST.

The Liverpool Breadstuffs market shows decided symptoms of revival, after a long season of duliness.

There was a better demand, and prices were firmer.

The market closed with an advancing tendency.

PROVISIONS.

A bill was pessed to pey askaring to the product of the product of

Sr. Louis, January 13.—The river here is illing at the rate of six feet in twenty-four ours, with nine feet of water to Cairo. The ice does not offer much impediment to avigation. The upper rivers are unchanged.

avigation. The upper rivers are unchanged.
