CONTRACT ALLONDED

## FIE DAILY BEE. OLI NESDAY MORNING, JUNE 29. WEAK INVESTIONS.

A rumer from Washington of reconcilia-cies and peace-making finds its way to the limits of the New York Herald. That here actuelly ournal, which is ever keenly little scent for news, has discovered first, of the fivernor Houser J. Walkers has suc-cided in recovering the friendship and soil, countenance of the Administration; i with a sudden fit of humility, and ability of Mr. Buchanan. The Hera

stime be aware that they are very far tion of Senator Dorglas, they ar them upon the strength of M ction of slavery in the Territorie B-tween these conflicting principle

and of the Democratic party wi ppreciably affected by the friendsh

sumber of this well conducted and in

g od behavior, and providing means Possessed of a living income fr and accumulated in business pursuits ease I was in a position to carry out the .cp.:se and great usefulness.

M ill race Vernet has left Paris for Italy,

tection of both Governments. It is not believed there that any cession of Mexican territory will be made or asked to the horror of the battle scene.

In the Lift has the following:

It is old the state of the control of the control

inforce leaving this port, a very painful joint ore leaving this port, a very painful joint is day asked a sailor which was the expect joint day asked a sailor which was the expect part of the port, and immediately otherwards going towards it, three herself in sail disappeared. She was saved, however, for these standing around. She appears to become been a young American residing in Payrine, and had field with some man to true Vectors. On arriving there her sedders, having shut her up in a hotel, abanders her.

during the week.
The stock of Cotton at Havre amounts to 96 200 bales.
The market closed firm.

BREADSTUFFS AND PROVISIONS.

Liverbook, June 18.—The Liverpool Breadstuffe merket generally closed doll at the decline reported by the Nova Scotian.

Corn closed with a decining tendency, and a slight decline has been experienced on all qualities since Pusedrets generally closed with a declining tendency, and some articles have slightly given way in prices.

LONDON MONEY MARKET.

LONDON, June 18.—The Landon Money market is generally sucheaged.

Mis generally sucheaged.

Mis generally sucheaged.

GENERAL AND POLITICAL INTELLIBORDON, June 18.—The intelligence from the seat of war is not of an important character. At latest advices the Austrians were continuing their retreat from the river Ogling. The French troup were being concentrated firs a decisive natic within a week.

A navel demonstration in the Adriatio was expected.

THE ENGLISH MINISTRY. den. M. Gibson and Lord Granville.

SPAIN PURCHASING STEAMSHIPS.
The Spanish Government has purchased the stoomships Alpa and the Andes of the Cunard Steamship Company.

Nove.—The National Line held open last night for nearly two hours after their regular cleaning time, to get further details of the Arabia's news, but at 12 o'clock nothing further had been received at New York.

DOMESTIC INTELLIGENCE.

M. BELLY'S DEATH DISCREDITED. New York, June 28.—Private letters dis credit the announcement of the death of Mons. Belly by fever.

demic.

RAILROAD ACCIDENT TWENTY LIVES
REPORTED LOST.

CLEVELAND, Ohio, June 26.—The train from
Chicage on the Michigan and Southern Kailroad bricks through a oulvert last night.
Twenty or thirty persons are reported to

As a the extreme young or the mare let, in the extreme younger. Most of them are 16, 17, by years old. This youth may pary explain the way py which these poor lors give these solves by the principle of the provided by the principle of the provided by the principle of the provided by the principle of the princip

adoldiers give themselves up.

A corporal who was bringing in five prisoners to the bivouac, pushes them toward is soptial.

"Take them, Captain," said he, "here are five of them. The business is getting it? some: I was not saide to drive lambe."

For the whole day after the Jist, these poor fellows, alivering, and not daring to move, were gathered up in the rice-field. Otherwise they behave like angels.

All this, perhaps, will change before the famus quadrangle.

Yesterday cannon growled occasionally. A wait toward that is discussed the famus quadrangle. The seminal process of the matter of the famus quadrangle on a retreat, perhaps to enliver their march. So, too, when they perceive a squadron on guard, they send three or four balls, which will after whose that is what they call securing their retreat.

The issue that is what they call securing their retreat that is walt they call securing their retreat.

The issue that is what they call securing their retreat, perhaps to enliver their mendilent of the piece price of the controller was referred the size and issue and the controller was referred to the first of the density trees, and that is all.

I believe that is what they call securing their retreat.

The regiment, who were taking their soop, ran to their arms, and formed in line. They were very lightly clad. An austican retreat when the promotive regiment, who were taking their soop, ran to their arms, and formed in line. They were very lightly clad. An austican retreat retreat when the promotive regiment, who were taking their soop, ran to their arms, and formed in line. They were very lightly clad. An austican retreat when the promotive regiment were provided they returned to their coppers.

If you will silow me, we will profit by the intended to the profit of the place price of

ble plains even to the Aips. Notining can be opportunity of adding to their personnel comforts the sum of the death of May York. June 23.—Private letters discredit the announcement of the death of Moss. Belly by fever.

LATER FROM HAVANA.

NEW YOR, June 23.—Admices from Havana report that a low cases of fever had occurred, but it was not considered an epidemic.

NEW YOR, June 23.—Admices from Havana report that a low cases of fever had occurred, but it was not considered an epidemic.

CLEVERIAND, the June 25.—The train from Chicagn on the Michigan and Southern fairing of the report of the country people, it would be a seed of fever had occurred, but it was not considered an epidemic.

CLEVERIAND, the June 25.—The train from Chicagn on the Michigan and Southern fairing of the report of the country personnel for the prevention of the country people, it would be a seed of every field a stream in which a being geometrical figures. A light rain changes in the death of the water's edge, the conditions of the country people, it would be a seed of every field a stream in which a decided to the water's edge, the conditions of the country had not so say and graceful.

Twenty or thirty personne are reported to the water's edge, the conditions of the country had not considered an extendition of the country had not considered an extendition of the country had not considered an extendition of the country where the country had not considered an extendition of the country had not considered an extendition of the country and the country had not considered an extendition of the country and the country had not considered an extendition of the country and the country had not considered an extendition of the country and the country had not considered an extendition of the country had not considered an extendition of the country and the cou
