AYER'S SARSAPARILLA

A COMPOUND REMEDY, designed to be the most ... of Sarsaparilla can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to form an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure in a manner worthy the confidence of the afflicted fellow-citizens. How competently this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

Scrofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Pimples Blotches, Tumors, Ulcers, Blotches, Scald Head, Syphilitic and Mercurial Diseases, Dropsy, Neuralgia or Tic Douloureux, Female Complaints and Indigestion, Erysipelas, Rheumatism, Pustules and Salt Rheum.

Many of these complaints arising from *impurity of the blood*.

It is this impurity which is the great promoter of disease, and the vitiation of the blood is the cause of the many painful sufferings which the system endures. By the timely employment of this powerful remedy disorders are nipped in the bud. Multitudes can, by the use of this remedy, spare themselves from the exposure of peril, suppurating and ulcerous sores, through which the system will strive to rid itself of corruptions, which, if not expelled in this manner, breed internal organic affections, and undermine the constitution. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Even where no particular disorder appears, keep pure and healthy the blood, and you will enjoy better health, and all will be well with the world. Keep the blood healthy, and all is well with the system. It is sometimes necessary, for the best and most prominent of these diseases, to purify the blood of the hereditary taint which it has received from parents, tainting the fountain of life and health with disease, and planting seeds of early death. Such cases require the most powerful remedy that can be had, and such a remedy is

AYER'S SARSAPARILLA.

Many of the worst cases of Scrofula, Erysipelas, Ulcers, Tumors, Pimples, Blotches, Boils, Tetter, Salt Rheum, Rheumatism, Neuralgia, Female Complaints, Liver Complaint, Dropsy, Dyspepsia, Indigestion, Dizziness, Heart Disease, Jaundice, Mercurial Diseases, Syphilitic Complaints, Old Sores, Pains and Aches in the Bones, Loss of Appetite, Blood Poisoning, Nervousness, Debility, and indeed the whole train of complaints arising from impurity of the blood, have been cured by the use of this great remedy.

Those who have suffered from any of these complaints will be glad to find a remedy which will cure them. Those who have friends or neighbors afflicted with any of these diseases, can recommend to them, with confidence, this remedy, which will cure them.

Those who have been cured of any of these complaints by the use of Sarsaparilla, can recommend it to their friends and neighbors with the assurance that it will cure them, for they have seen it tried, and know what they say.

Those who have used Sarsaparilla, and have been disappointed, have been deceived by the use of preparations which contain little, if any Sarsaparilla, but which, by large and extravagant promises, induce the unwary to purchase. Such preparations can only disappoint and deceive the sick, and cause them to doubt the power of the best remedy that can be had for the cure of their diseases. Ayer's Sarsaparilla is the best remedy that can be had, and will cure the diseases for which it is recommended, if anything can.

Let no one, therefore, who is afflicted with any of the diseases for which Sarsaparilla is recommended, neglect to procure this remedy, and let no one who has it in his power neglect to use it faithfully, if he would be cured of his complaint.
