L. MILLER'S
HAIR INVIGORATOR,
AN EFFECTIVE, SAFE AND ECONOMICAL COMPOUND
FOR RESTORING GRAY HAIR
to its original color and appearance, rendering it soft, glossy and flexible.
Hair from falling off.
FOR PREVENTING BALDNESS,
and curling it, even if there is the least particle of vitality upon the premises.
FOR REMOVING SCURF AND
DANDRUFF,
and all unnatural affections of the scalp.
FOR BEAUTIFYING THE HAIR,
imparting to it an unrivaled gloss and brilliance making it soft and silky to the touch, and rendering it an ornament.
No cost of trial.
The great popularity and the increasing demand for this unequalled preparation, necessarily induces dependent upon its merits, and not upon the extravagant puffing system, which many others adopt, to attract the public at the expense of their pockets, and the ruin of their hair from drenching cosmetics, dyes, &c., and the best to grow luxuriant, soft and silky hair, and to restore it to its natural appearance, and also where the hair is becoming and thinning, it will give strength and vigor to the roots, and cause a new growth to spring forth where it has become bald, causing it to yield a fresh covering of hair.
There are hundreds of ladies and gentlemen in New York who have used L. Miller's Hair Invigorator, and will, of their own spontaneous feeling, testify to its unequalled excellence, when all other preparations have failed. L. M. has in his possession numerous testimonials testifying to the above facts, but deems it unnecessary to publish the ability. It will effectually prevent the hair from turning gray, and will restore it to its natural color in a few days. Its use has already changed to color the hair of the individuals who have used it, and certainly restore it to its color and luxuriance. As a perfume for dressing the hair, it is unsurpassed. As a perfume for the toilet and a hair restorative it is unequalled, and recommended. As a perfume for evening parties, it stands in the front rank. In dressing the hair, while it will retain it in any desired position, it will not injure it, as it contains no material of injurious effect. Whether plain or in curls—and the great demand for it by the ladies is a standard test—it will not injure the hair, but will leave it as the nature intends it within the reach of all. Ladies

ONLY TWENTY-FIVE CENTS

per bottle, to be had of all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the benefit of the Invigorator in the case of children. Many children have weak hair. The use of it lays the foundation for a good head of hair, as if applied to children when young, it strengthens the roots, and causes a luxuriant growth of hair, and will not fall off with the early teeth, as is necessary both for the health of the child and the future appearance of the hair.

CAUTION.

LOUIS MILLER is the only person authorized to sell MILLER'S HAIR INVIGORATOR, L. M. having no agents. Wholesale Depot, 39 Bay street, and sold by all the principal Merchants and druggists throughout the country.

Letters for information must be post paid, and must contain a three cent stamp for return postage.
