PRISE AND RESERVE L. A. A. G. PRURKAI ACCOUNT OF THE BATFLE AT MURFRESSORO.

PRICESSORO. The New York Times has been received. A dispatch from Murfressoro, of the 1st instant, to Hallock, and there was a terrible battle at that place. Later information from the field say we have succeeded in breaking the rebel centre, and things are entirely in our favor. Generals Stanley, Russeau and Palmer are wounded. A telegrain to the associated press, date. Decem-Stanley, Rosseau and Palmer are wounded. A telegram to the sanctisted press, date. December 31, says our whole line suffered tentuly. Two o'clock P! M.—Chen. Thomas has certainly broken the rebels' centre, and driven him a mile or more. The loth Wisconsin suffered tertibly, losing nearly half its entire regiment, including eight different. The latest from Lonieville, to the lat instant. The latest from Lonieville, to the lat instant,

The latest from Lonsville, to the let instant, says that (isoneral Mosencrans captured Murfreesboro on Theeday, and now occupies it. The robel force retreated to Tullshoms. Over two hundred wagons which followed our line were captured by the robels under General Wheeler, of Tennessee. A second dispatch from Louisville says General Rosencrans occupies Murfreesboro.

(Signed) J. T. Boyle, Brig. Gen.

The light was renewed on the law with fary-heavy loss on both sides. General McCook fell back two miles before an overwhelming force, he he rallied his forcee, but was again driven back. At the latest accounts he was five miles this side

continued nutr upon.

The Union loss is very heavy.

Killed.—Brig. (See. Sill, Lieut. Col. Garraschie, Rosencrau's chief of staff. (Seenral W. Welloott, Cul. Kally, 20th Olio. Col. Shaffer, acting Brigadies General. Col. Farmer, 15th Kantucky. Col.

that regulars, and a now wounded is estimated at thirty thousand. The rebel loss is much heavier. We captured seven hundred prisoners. A dispatch from Lonieville says that Rosencian, will hold his original position.

Noticing had been received from his army to 3 o'clock, the 3d instant.

(Jeu. McLook is reported mortally wounded.

Nothing had been received from his army to of older, the Vd Instant.

Geu. McCook is reported mortally wounded. FURTHER FROM THE NURTH—IRAUGURATION OF THE NURTH OF THE NURTH—IRAUGURATION OF THE NURTH OF THE NURTH—IRAUGURATION OF THE NURTH OF THE NURTH

Kentucky in Commotion The R cipation Proclamation Hil Mores and Compter-Moves. A Cincinnati dispatch of December 29 says A Cincinnati dispatch of December 29 says: Speaker Buckner, of the Keutucky House of Representatives, has addressed a letter to every member, asking their views on Lincoln's proclamation and the present condition of affairs in that State. From a number he has received an answer, and fully two-thirds are in favor of taking the State out of the Union if the proclamation is enforced.

The Legislature meets next Monday, when they. Robinson's message will Governor will bear down heavily on the administration and urge a separation if Lincoln's emancipation document is promulated on Thursday.

Hamphrey Marsball is, beyond doubt, in the vicinity of Mount Stepling. He will not make any move annuit the light of the week. He ex-

emancipation document is promulated on Thursday.

Hampirey Marabal is, beyond doubt, in the vicinity of Mount Stelling. He will not make say move until the last of the week. He expects heavy reinforcements from the Kentucky militia, who are armed with Unised States guos, distributed throughout the State by Gen. Nelson one and a half years ago. The militia will go with the South if the proclamation is issued. The cry of "wolf" will not be a false alarm, and yet there are no troops for defense, should the enemy come, and squirred hauters will not be so numerous as before.

Inductions of reeld snovements into Kentucky are so apparent that Union families are fleeiny northward by scores, and the military suthorities are beginning to smell the smoke of battle afar.

Grauger's command of 5000 in Lexington cannot selley remain there, and may retreat to Govington.

Covington.

Vienns. He also enpountered a large force of the enemy, who used artillery against him, when he retired.

At Aldie he routed the esemy's cavalry, taking a number of prisoners and proceeded thence to Warrentos. On his return he was a long cavalry brigade. Gen. Steart was entirely successful, and captured and destroyed immense train to-day. He got all of McCook's baggage and his body servant yestention from the patriotic ladies of Marfreesborr's, though successful, and captured and destroyed immense train to-day. He got all of McCook's baggage and his body servant yestention from the patriotic ladies of Marfreesborr's, though successful, and captured and destroyed immense train to-day. He got all of McCook's baggage and his body servant yestention from the patriotic ladies of Marfreesborr's, though many necessaries for bomfort are much readed.

still believed killed.

THE DAY SEPORS THE FIGHT.

The Murfresebore correspondent of the Mobile Register, writing on the 29th ult, gives us a very fair understanding of the strength of the armies on the evening of the first day. He says:

The forces of the enemy are now estimated at 100 thus to 00,000. Our full force is about 33,000, thus we have a far superior humber against us, and must depend solely on the lighting qualities of our though. That the battle will be a most bloody one there can be no doubt. Rosencrams has the sidvice and aid, it, is superior. be a most bloody one there can be no doubt Roesneram has the device and aid, it, is any posed, of Buell, but I do not anypose the latte is on the field. The fight will most certain! come off to morrow, the attack being expectes

5. Jackson's brigade in reserve to the right flush to report to Lical. Gen. Hardese
6. The two lines to be from 980 to 1080 yards apart, according to the ground.
7. Chiefs of artillery to pay special attention to the posting of batteries, as-eing that they do not careleasly wasts amountion.
8. Cavalry to tall back gradually before one my, reporting by copier every hour. When near our line, Wheeler will move to the right, and Wharton to the left, to cover and product our flanks, and report movements of sneedy. Pegram to fall to the rear and report to Commanding General as a poserve.
9. To hight, if the enemy has gained his position in front ready for action, Wheeler and Wharton, with their whole commands, will make a night march to the right and left, term the occup's flank, pain his rear, and vilording the code and impeding his movements every way, holding themselves, pady to ascall his trians and cardy to ascall his preferring forces.

ing forces.

10. All quartermasters, commissaries and ord manoe officers will remain at their proper posts discharging their appropriate duties. Supplies and baggangs should be ready packed for a for ward or backward move as the result of the position out or danger, [toamsters all present and functionmatters in charge.

11. Should we be compelled to ratire, Polk's sorpe will move on Macloyville, and Bardee's an the Mauchester pike, trains in front, davaly
