shout 4 o'clock, P. M. We did not receive ou TARIA.

In general, the positions are without materis

vanil lores of rabels, lest creams, anost ave o'clock.

The robal pickets last night argended thirteen miles east on the Frederick translite.

There is as panle in this city.

Billimors, Jane 21.—A peases who lest Frederick the morning says the robbit who came inter, last, evening were only a small squad who passed through the low, captured a few horses, staid an hour or two, and left. This gamed of robbit ware in purels of some of our signal corps from Sonth Monntain.

Our informant cays no robbet were known to be nearer than South Monntain when he lift Frederick, at sight o'dlock.

menta.

There are supposed to be about thirty rebels in the city this afternees.

The comy has no force between Frederick and Bonaboro, except a small cavalry camp at Briddletown. Those here are nearly all young mee, from the vicinity, and it is probable that their raid has only been made to enable them

MOVEMENT'S OF THE REDEL STREETLE MARMADUKE AND PRICE.

A dispatch dated Panola, June 12, says Ged.

Marmadelte captured one transport and sunk another near Helena.

On the 11th instant tires regiments were sent out from Helena against him, but was driven back.

Gen. Price is marching on Old Town Point, sighteen miles below Helena. Twenty-two companies reported for duty from North mustaken price the late call.

An officer just from Natches report that the gunboat Orisaha grounded on the har four miles below the city, on the lith, and the river has fallen three inches since.
